FOR IMMEDIATE RELEASE

PUBLIC SERVICE ANNOUNCEMENT

STORMWATER QUALITY ORDINANCES

Effective Thursday, January 24, 2008, three new stormwater quality ordinances will go into effect. These ordinances were created in response to requirements of the Clean Water Act and will work to enhance the quality of storm water discharged into Rapid Creek and other waterways of the State. In particular, these ordinances will require persons performing significant earth disturbing activities to obtain an erosion and sediment control permit from the City of Rapid City. Permits can be obtained at the Growth Management Department located at 300 6th Street, Rapid City, SD.

For a complete copy of the ordinances please visit the City's website at www.rcgov.org. If you have any questions, please contact the City of Rapid City Growth Management Department at 394-4157 or Engineering Services at 394-4154.
