Learn to Skate USA Session Class Descriptions

The Roosevelt Park Ice Arena is proud to deliver quality skating programs through Learn to Skate USA. These programs provide:

- A goal-oriented program that provides incentive and encouragement to keep skaters motivated.
- A personalized approach that allows skaters to progress at their own rate and advance after skill mastery is demonstrated.
- A curriculum that offers something for everyone—from first steps on the ice to mastering advanced techniques.
- A progressive system that upon completion of the program, allows skaters to confidently advance to more specialized areas of skating.
- Access to continued education and resources for parents of young skaters to assist with making the appropriate decisions along the way.
- Nationally certified Learn to Skate USA instructors, assistants and volunteers.

Snowplow Sam 1-4
Snowplow Sam levels are for children ages 4 & 5. These classes are designed to develop the preliminary coordination and strength necessary to maneuver on the ice independently. Skills include proper falling and getting up techniques as well as balance, marching and gliding maneuvers. Skills in Snowplow Sam classes are taught primarily through fun and games. Bike helmets and gloves are recommended. Classes are 35 minutes long with 5 minutes of off-ice warm up every class.

Basic Skills 1-6
There are 6 levels of “Basic Skills” that help students master the fundamentals of the sport. Students must be 6 years old to participate. Basic 1, 2 & 3 levels are designed for learning balance, stroking and edge control. Basic 4 & 5 focus on forward/ backward crossovers and 3 turns. Basic 6 teaches more advanced turns and edges. Students progress through these levels at different rates, and some levels may require repetition and extra practice time during Learn to Skate Drop-In sessions to fully master necessary skills. Bike helmets and gloves are recommended. Levels may be combined based on enrollment.

Youth 1-4 Hockey
Our hockey curriculum is designed to teach the skater basic skills that are specifically geared for future hockey players. Proper beginning skating techniques are the primary focus for the first four weeks. Controlled stick and puck practice may be added during the last two weeks of the session. These classes are open to those 17 years of age and under. While full personal protective gear is not required, bike helmets, hockey sticks and gloves are necessary. The Ice Arena may have sticks available to borrow, but there is a limited supply and they are first come, first serve.

Pre-Freeskate and Freeskate 1-6
Upon completion of the Basic Skills levels, the student is ready for Pre-Freeskate and then Freeskate classes. Each level of Freeskate progressive skating skills, transitions, spins and jumps. Each skill builds on the last. Instructors focus on quality and mastery of skills. All skaters progress through these levels at different rates, and some levels may require repetition in order to master. These classes consist of a 15 minute on/off-ice warm-up consisting of strength, jumping techniques and edge control. 30 minute group instruction will follow. Testing will be held when the instructor feels the student is ready to progress to the next level.

Specialty Classes
These classes vary by session and are open to skaters at listed skill levels above Basic 4. Call the rink at 394-6161 for additional information.

Each student enrolled in a Learn to Skate session will receive “ONE” “6 punch pass” (regardless of number of classes enrolled into) to receive admission into Public Skate or Learn to Skate USA Practice six times during their session. This will provide them time to practice their newly emerging skills. These punch cards can ONLY be used for the registered student and will expire at the end of the session. If parents, siblings or friends accompany the child onto the ice, they must pay the regular skate admission for the session they are attending.

ASPIRE
The U.S. Figure Skating Aspire program is the bridge between learn to skate group classes and U.S. Figure Skating membership. Through the development of athleticism and artistry, skaters build a solid skill foundation that drives success on and off the ice. Aspire of ers skaters an affordable, comprehensive package program in a safe and supportive group training environment. Skaters will learn proper skill development and training techniques while sampling different skating opportunities and fine-tuning their fundamental skating skills.

AMERICAN RED CROSS
We are excited to announce Rapid City Aquatics is returning to American Red Cross Swim Lesson program beginning Winter 2022. We have seen many changes over the years and have returned to what we see as the best swim lesson program for your swimmers and our Water Safety Instructors (WSI). To help guide you through the process please reference our website to compare the conversion chart. Red Cross offers a swim app to track your swimmers progress through the Apple Apps or Google Play or by texting “SWIM” to 90999.

Note it is important for swimmers to be in the correct level. Please don’t guess. If your swimmer is new to swimming, or you can’t remember what level they should be in, a quick e-mail to aquatics@rcgov.org and we can look to make sure of the appropriate registration is made. You may be asked to bring your child to an in-the-water evaluation.

Incorrect registration does not guarantee placement into another class of correct skill level & time of your choice your swimmer maybe removed from the program.

American Red Cross Health & Safety Courses

Rapid City Aquatics is a Licensed Training Provider (LTP) of the American Red Cross. We offer a wide array of Health and Safety Courses at the Swim Center. Blended Learning participants complete on-line studies then participate in an in-person skills session to complete their certification. This greatly reduces the amount of time a participant spends in the classroom while being able to review material at their own pace and after the course for review material at any time.

**Lifeguard Training**
American Red Cross lifeguard participants must be at least 15 years old by the last day of class and must pass a pre-course swimming skills test. Courses are available in person, or via our blended Simulation Learning experience, which combines on-line coursework with in-person skills sessions. Water-park & CPR for the Professional Rescuer is included. We also offer Waterfront Lifeguarding. In addition to full courses, abbreviated recertification courses are also available for those who hold current lifeguard certifications.

Blended Classes Offered:
December 1-4, 2022
Please contact Barb Iwan or Teaghan Berkey at (605) 394-5223 or by email Barbara.Iwan@rcgov.org or Teaghan.Berkey@rcgov.org to get signed up!

**Instructor Level**
Health and Safety instructors are an elite group of professionals who teach valuable lifesaving skills to an average of more than 9 million people each year in businesses, schools and communities. Using the latest proven science and a blended approach to teaching, including lecture and hands-on skills sessions. We offer the following instructor courses:
- Lifeguard Instructor
- Water Safety Instructor
- CPR Instructor

**Water Safety Instructor Course**
This course trains instructor candidates to teach all of the courses presented in the Swimming and Water Safety program to all age groups; all of the courses listed above, plus Learn-to-Swim Levels 4-6 and Adult Swim. This certification is the gold standard and provides the most comprehensive training for swim instructors.

Dates: TBD - Please check our website for future dates www.rcgov.org
CPR Classes for the Way You Learn

In-Person: Led by knowledgeable instructors, our in-person CPR courses combine lecture with hands-on skills sessions. Perfect for those who learn best in a traditional classroom setting, our in-person classes give you ample time to ask questions and become comfortable with the latest techniques.

Blended Learning: Using a combination of self-paced, interactive Online CPR classes and in-class skill sessions, our ground breaking blended learning courses give you the ability to train on your schedule, and demonstrate your skills to a certified instructor.

Adult/Child/Pediatric CPR/First Aid/AED – Lay Rescuer
We offer a combination of these courses specific to your needs. Please call to determine the best fit for you.

Basic Life Support
Designed to train healthcare professionals and public safety personnel to recognize and respond to medical emergencies in a wide variety of healthcare settings.

Skill Boosts with Additional Fee $15.00
Optional Skill Boost modules are available and can be added to any course or lesson plan or taught at a later date. However, participants must be certified in First Aid and/or CPR or enrolled in an equivalent Red Cross course.

Course Certification Name
- Asthma and Quick-Relief Medication Administration
- Anaphylaxis and Epinephrine Auto-Injector
- Opioid Overdose Training - Nasal Spray or Atomizer
- Life-Threatening Bleeding - Tourniquet
- Head, Neck, Muscle, Bone, Joint Injuries - Splinting

Babysitter Training
This course will prepare you to become one of the most capable, trusted and in-demand sitters in your neighborhood. In fact, 8 in 10 surveyed parents said they would pay more for a trained babysitter who holds Red Cross baby sitting certifications. You will be certified in First Aid and Pediatric CPR/AED, and add even more value to your clients. Class designed for ages 11-15.

Online Parks Map
If you're looking for a park to visit, let our online map help you. Its interactive map gives information about each municipal park and what amenities they have. Go to our webpage at rcpgov.org, find the Parks & Rec Department, and the dark red box on the right has a link to "Pennington County Outdoors." The map also shows county recreation spots like National Forest hiking and biking trails, National Parks, campgrounds, and wilderness areas. Use the search bar to find new outdoor opportunities around Rapid City, in the hills, or out on the Pennington plains!

Permit Buffer
The Parks Division maintains roughly 1,650 acres of park land and greenway in Rapid City. All parks provide unlimited opportunities for fun and enjoyment. Take time to enjoy Rapid City's parks - have a picnic, play tennis, sof ball, or golf, ride a bike, go jogging, or browse the rose and formal gardens!

**New Parkland Added to Rapid City!**

Developers have set aside some parkland in east Rapid City. The City also received a donation of land on the north slope of Star Village near downtown.

---

**Coming Soon!**

**Disc Golf**
If you haven’t already, disc golf is a free and fun activity to try with your friends or family. Rapid City has three courses to play at:

1. Original course on W. Omaha Street (9)
2. Local favorite Jackson Park (18)
3. Newcomer LaCroix Disc Golf (12)

**New Bike Path Connection Coming**

This construction season the City and DOT will be adding a new spur of the bike path. You will now be able to ride your bike or walk safely along Campbell Street between the bike path/Rapid Creek and Omaha Street/Highway 44. We thank our Planning Department and the SD Department of Transportation for helping us receive federal grant funding for this project!

**Mountain Biking**

Rapid City offers miles of mountain biking trails with more being added as of now as we can! Plan out your trip on the Skyline Wilderness Area and Hanson-Larsen Memorial Park bike trails using the “Avenza Maps” mobile app. Skyline trail maps are also available in print at our West Boulevard office and as a PDF on our website.

**Fun Feature at Robbinsdale!**

If you can’t visited Rapid City’s new bicycle playground (installed in summer 2021), don’t miss out! With cones to weave, platforms to cross, curves to bank, and hoops to thread, this course will challenge new riders and build confidence in bike handling! The playground, located in Robbinsdale Park east of the BMX facility, is free and open for public use. We extend a big thanks to Strider Sports International for the generous donation so that Parks & Rec could move forward with this exciting addition! We hope people from all over the area will come to see what the hype is about!

**Bicycling**

Visitors and residents alike love the Leonard “Swanny” Swanson Memorial Pathway. Around 10 continuous miles of paved trail offer walkers and cyclists hours of entertainment and recreation. A map of the creekside path as well as the bike route spurs that reach into neighborhoods and along major roads are available online.
