Parks and Recreation Department Information and Policies

- Staff at each recreation facility can assist with general questions about registration, programs and department policies.
- The Rapid City Parks and Recreation Department reserves the right to make adjustments to fees, schedules or programs as necessary.
- The Parks and Recreation Department is not allowed to give refunds unless a program is canceled by the City. If you have any questions about the refund policy, please contact the Parks and Recreation Office at (605) 394-4175.

Photos taken at classes and during programs may be used by Rapid City Parks and Recreation for promotional purposes.

We strive to produce the most accurate, up to date Program Guide possible. However, some program information may have changed since this guide was published.

LEARN TO SKATE

Learn to Skate USA Session Class Descriptions

The Roosevelt Park Ice Arena is proud to deliver quality skating programs through Learn to Skate USA.

These programs provide:

- A goal-oriented program that provides incentives and encouragement to keep skaters motivated.
- A personalized approach that allows skaters to progress at their own rate and advance after skill mastery is demonstrated.
- A curriculum that offers something for everyone--from first steps on the ice to mastering advanced techniques.
- Solid skill development based upon the ABCs of basic athleticism--agility, balance, coordination, and speed.
- A progressive system that, upon completion of the program, allows skaters to advance to more specialized areas of skating confidently.
- Access to continued education and resources for parents of young skaters to assist with making the appropriate decisions along the way.
- Nationally certified Learn to Skate USA instructors, assistants, and volunteers.

Snowplow Sam 1-4

Snowplow Sam levels are for children ages 4 & 5. These classes are designed to develop the preliminary coordination and strength necessary to maneuver on the ice independently. Skills include proper falling and getting up techniques and balance, marching, and gliding maneuvers. Skills in Snowplow Sam classes are taught primarily through fun and games. Bike helmets and gloves are recommended. Classes are 35 minutes long, with 5 minutes of off-ice warm-up every class.

Basic Skills 1-6

There are 6 levels of "Basic Skills" that help students master the fundamentals of the sport. Students must be 6 years old to participate. Basic 1, 2 & 3 levels are designed for learning balance, stroking and, edge control. Basic 4 & 5 focus on forward/ backward crossovers and 3 turns. Basic 6 teaches more advanced turns and edges. Students progress through these levels at different rates, and some levels may require repetition and extra practice time during Learn to Skate Drop-In sessions to master the necessary skills fully. Bike helmets and gloves are recommended. Levels may be combined based on enrollment.

Specialty Classes

These classes vary by session and are open to skaters at listed skill levels above Basic 4. Call the rink at (605) 394-6161 for additional information.

Each student enrolled in a Learn to Skate session will receive *ONE* "6 punch pass" (regardless of the number of classes enrolled) to receive admission into Public Skate or Learn to Skate USA Practice six times during their session. This will provide them time to practice their newly emerging skills. These punch cards can ONLY be used for the registered student and will expire at the end of the session. If parents, siblings, or friends accompany the child onto the ice, they must pay the regular skate admission for the session they are attending.

Youth 1-4 Hockey

Our hockey curriculum is designed to teach the skater basic skills that are specifically geared for future hockey players. Proper beginning skating techniques are the primary focus for the first four weeks. Controlled stick and puck practice may be added during the last two weeks of the session. These classes are open to those 17 years of age and under. While full personal protective gear is not required, bike helmets, hockey sticks and, gloves are necessary. The Ice Arena may have sticks available to borrow, but there is a limited supply, and they are first come, first served. Power skate is now offered after completion of Hockey 4.

Pre-Freeskate and Freeskate 1-6

Upon completing of the Basic Skills levels, the student is ready for Pre-Freeskate and then Freeskate classes. Each level offers progressive skating skills, transitions, spins, and jumps. Each skill builds on the last. Instructors focus on quality and mastery of skills. All skaters progress through these levels at different rates, and some levels may require repetition in order to master. These classes consist of a 15-minute on/off ice warm-up consisting of strength, jumping techniques and, edge control. 30-minute group instruction will follow. Testing will be held when the instructor feels the student is ready to progress to the next level.

ASPIRE

The U.S. Figure Skating Aspire program is the bridge between learn to skate group classes and U.S. Figure Skating membership. Through the development of athleticism and artistry, skaters build a solid skill foundation that drives success on and off the ice. Aspire offers skaters an affordable, comprehensive package program in a safe and supportive group training environment. Skaters will learn proper skill development and training techniques while sampling different skating opportunities and fine-tuning their fundamental skating skills.

LEARN TO SKATE

Monday 6 Week Classes

OUTDOOR ICE RINKS

Freezing cold temperatures are upon us. The Rapid City Parks Division is preparing our outdoor ice rinks for winter use!

Did you know rapid City Parks and Recreation has two outdoor ice rinks? One is at Braeburn Dog Park, and the other is at Wilson Park.

If Wilson Park gets too crowded with skaters for a traditional game of stick and puck on the pond, Braeburn Dog Park has an ice rink equipped with a liner and boards. Share some joy on the ice!

The park rinks are free and open during regular park hours; 5:00 a.m. to 10:00 p.m. Skaters must bring their skates and anything else they might need, like a stick, puck, and hockey goals.
