USE AGREEMENT BETWEEN THE CITY OF RAPID CITY
AND RAPID CITY YOUTH BOXING, INC.

For and in consideration of the mutual promises and agreements contained herein, the CITY OF RAPID CITY ("City"), a South Dakota municipal corporation, of 300 Sixth Street, Rapid City, SD agrees to allow to Rapid City Youth Boxing, Inc. ("User"), a South Dakota corporation organized under the laws of the State of South Dakota, the use of a specified area to operate a youth boxing program, subject to the following terms and conditions:

1. **Consideration.** The City hereby allows User the use of the below described premises ("Premises") for the sum of One Dollar ($1.00) and other good and valuable consideration, including but not limited to, maintenance of general grounds, administration of a youth boxing program open to the citizens of the City, and payment of all utility bills as specified herein. Said sum is payable to the City of Rapid City on or before the first day of January of each succeeding year.

2. **Term and Renewal.** The term of this Agreement is from January 1, 2020 ("Effective Date") to December 31, 2022. Any future agreements between the parties related to the Premises shall be under the terms and conditions mutually agreed to by the parties at that time.

3. **Premises.** The Premises agreed for use by the City to User are commonly known as 200 E. Main Street North and legally described as follows:

A portion of Tract 29, Rapid City Greenway Tracts, Section 6, Township 1N, Range 08E, BHM, Rapid City, Pennington County, South Dakota.

*See Attachment A (map with boundaries of Premises clearly distinguished).*

4. **Use of Premises by User.** User shall have priority use of the Premises during the term of this Agreement for the purpose of administration of a youth boxing program. "Priority Use" means that User may occupy the Premises during the term of the Agreement to the degree necessary to operate a youth boxing program, subject to Section 5. Priority Use does not mean exclusive use, and this Agreement does not grant User any exclusive rights to occupy all or a portion of the Premises. Instead, use of the Premises by User, by the City, and by the public is governed by the terms of this Agreement. Use by Others shall be permitted in accordance with Section 5. User agrees to cooperate with City’s use and others’ use of the Premises in compliance with this Agreement.

5. **Use of Premises by Others.** The parties understand and acknowledge that all of the Premises are designated for public recreation through the Land and Water Conservation Fund (LWCF). Therefore, the parties agree that the Premises shall be available for use by the public.

In order to preserve and maintain the Premises as a boxing facility, the City may impose reasonable limits on the type and extent of use of the Premises and types of users, such as to limit the use of the Premises to "youth boxers only." If member(s) of the public desire(s) to use the
Premises for a use that is consistent with the use of the Premises to operate a youth boxing program and any reasonable limits imposed by the City, the member(s) of the public may request to use the Premises on a specific date or dates by contacting the Parks and Recreation Department at least 72 hours in advance. If the Premises is not going to be in bona fide use by User and the City determines that the requested use of the Premises is consistent with the use of the Premises to operate a youth boxing program and any reasonable limits imposed by the City, at the request of the Department, User must unlock or otherwise make the Premises accessible to the member(s) of the public. A bona fide use is a scheduled practice or competition and the one hour before and after such practice or competition. A bona fide use also includes scheduled maintenance of the Premises.

6. **Surrender of Premises.** User agrees to surrender the Premises, or a part thereof, in the event it is necessary for expansion or utilization of public park facilities or for any other purpose that the City believes is necessary or important and the City makes such written demand. If such a written demand is made, then User understands that this Agreement shall be terminated and such termination shall not be considered a breach by the City or User of the terms of this Agreement. User further agrees to abandon the Premises, or a part thereof, in the event such a demand is made by the United States government or the State of South Dakota, or if User or the City is ordered to do so by an order of any Court. If such a demand or order is made, then User understands that this Agreement shall be terminated and such termination shall not be considered a breach by the City or User of the terms of this Agreement.

7. **Use by the City.** User agrees that the City may use the Premises when the Premises are not required for use by User. If the City uses the Premises under this Section, it agrees to leave the Premises in substantially the same condition, reasonable wear and tear excepted. For purposes of this Section, City use shall mean organized activities conducted by or sponsored by the City.

8. **Contacts.** Anything required by this Agreement to be delivered to User in writing shall be delivered to the following contact for Rapid City Youth Boxing, Inc.:

User has a continuing obligation to ensure that the Rapid City Director of Parks and Recreation ("Director") has accurate contact information for User and to notify the Director of any changes to the contact information herein.

Unless otherwise specified in this Agreement, the contact for the City will be: Director of Parks and Recreation, 515 West Boulevard, Rapid City, SD 57701, (605) 394-4175.

9. **Maintenance.**

9.A. **User Responsibilities.**

i. **Property Damage.** User agrees to maintain said Premises under the authority of the Director of Parks and Recreation or his/her designee. User agrees to repair or replace any property on the Premises damaged, either willfully or accidentally, by its agents, members, or invitees. User is entitled to recover costs for damages or
to require repairs for damages or improper maintenance that occurs while the Premises is used and controlled by others, including those enumerated in Sections 6 and 7 of this Agreement.

ii. **Trash and Recycling.** User agrees to be responsible for policing the Premises and picking up and making ready for City collection of all trash, recyclables, debris, and waste material of every nature, resulting from its use of the Premises by itself or any spectators in attendance at the Premises. User also agrees to place all collected trash, recyclables, debris, and waste in a designated location for removal by the City. User agrees that it will not place yard waste or building materials in City trash receptacles. User agrees to promote and encourage recycling throughout the Premises.

iii. **Notification to the City.** User agrees to promptly notify the City in writing if it observes any needed maintenance to sidewalks, parking areas, trees or other items that the City is obligated to maintain under Section 9.B or any items other than those which User is obligated to maintain. User may provide the written notification by email to the Parks Division Manager. At the time of this Agreement, the email address for the Parks Division Manager is scott.anderson@rcgov.org.

iv. **Structures and Buildings.** User is responsible for all maintenance and repair of structures and buildings on the Premises. This responsibility includes, but is not limited to, painting and staining the structures and buildings and maintaining/repairing siding, fascia, soffits, plumbing, flush valves, drinking fountains, water heaters, and other fixtures as applicable.

v. **Snow Removal.** User is responsible for snow removal for the sidewalks on the Premises that run north and south.

9.B. **City Responsibilities.**

i. **Trash and Recycling.** The City will provide 95 gallon trash and recycling receptacles for use at the Premises and will remove trash and recycling on a regular schedule.

ii. **Unique or Unusual Maintenance.** The City, at its own expense, agrees to provide unique or unusual maintenance and routine maintenance to the infrastructure, including but not limited to, repair of broken water mains, sewer infrastructure, storm sewer infrastructure and all repairs and surface maintenance of parking lots.

iii. **Snow Removal.** The City will complete snow removal for the parking lot and the sidewalk that parallels E. Main Street.
10. **Changes to the Premises.** No construction or installation of any improvements to the Premises shall occur until the Director of Parks and Recreation or his/her designee has given prior written approval to the proposed construction. User shall promptly notify the Director of its intentions to construct or install any improvements upon the Premises, and User agrees that it will not perform any such construction unless and until it receives written approval from the Director. Any construction or installation of any improvements shall be in conformity with the municipal codes of the City, including any construction within the floodplain or floodway. The parties agree that any permanent improvements or fixtures constructed by User on the Premises are the property of the City.

11. **Land and Water Conservation Fund.** The parties agree that the Premises are to be operated and maintained for public recreation purposes, in compliance with applicable provisions of the Land and Water Conservation Fund acts, regulations, and guidelines. The City shall place signs on the Premises that indicate that it was improved through the Land and Water Conservation Act and that the area is publicly owned and operated as a public recreation facility. User agrees to include the same language identifying the area as publicly owned and operated as a public recreation facility in all signage, literature, and advertising. Inclusion of this language on all signage, literature, and advertising is intended to eliminate the perception the area is private.

12. **Fees Charged to the Public.** User agrees that all fees charged by User to the public for entrance, use, or access to the Premises shall be competitive with fees charged by similar private facilities. The City shall have the right to request information related to fees charged by User to the public for access or use of the facilities and to request information from User that supports the competitiveness of any such fees with similar private facilities. Upon receipt of such a request, User shall timely provide the requested information. If the City determines that the fees are not in compliance with this Section and/or the requirements of the LWCF guidelines, then User shall adjust its fees in accordance with the City’s direction.

13. **Non-Discrimination.** The parties agree that User shall comply with all civil rights and accessibility legislation, including Title VI of the Civil Rights Act of 1984, Section 504 of the Rehabilitation Act, and the Americans with Disabilities Act, and User shall not on the grounds of race, color, sex, creed, religion, ancestry, national origin or disability discriminate or permit discrimination against any person or group of persons in any manner prohibited by local, state, or federal laws. By signing this Agreement, User certifies that it complies, and will continue to comply, with this nondiscrimination requirement.

The parties agree that signs posted in visible public areas on the Premises will indicate that use of the Premises complies with these nondiscrimination requirements. The parties agree that any statements in literature, advertising, and public information by User or the City about the Premises will state compliance with these nondiscrimination requirements.

14. **Assignment.** This Agreement shall not be assigned by User except on written consent and approval of the City. The fee(s) or payment(s) charged by User for any assignment shall be limited in value to the cost to User for utilities and maintenance, as applicable, of the Premises.
Requests for City approval of an assignment of this Agreement shall be submitted to the Director of Parks and Recreation no less than sixty (60) days before the assignment is intended to be effective. All such requests for approval shall include a copy of the proposed assignment and all relevant information, including any payment made as part of the proposed assignment. The City reserves the right to withhold consent for any such assignment, or to negotiate further with User and with intended assignee with regard to rights to the Premises, or to enter into a separate agreement with assignee and/or User with regard to the intended assignment of all or a portion of the Premises.

15. **Expense.** The City shall assume no expenses as a result of this Agreement or any of the operations of User except for those expenses generated as a result of City’s own use as referenced above. User agrees to pay its own administration expenses, including but not limited to, lights and electricity, grounds crew, office supplies, miscellaneous equipment, and secretarial fees. User agrees that the electric utilities will be metered in the name of and billed directly to User and that all expenses incurred by it shall be paid within thirty (30) days of due date. If User obtains gas utilities, User agrees that the gas utilities will be metered in the name of and billed directly to User and that all expenses incurred by it shall be paid within thirty (30) days of due date.

Unless otherwise agreed to by the City, User agrees to provide all funds and resources for use and maintenance of the Premises discussed in this Agreement. All costs expected and unexpected will be paid by User unless other arrangements are made with the City. If User makes any improvements to the Premises that are paid for with public funds, User shall comply with applicable bid laws.

16. **Termination of Agreement.** The City reserves the right to periodically review the performance of User to evaluate compliance with the terms of this Agreement. Either party may terminate the Agreement for breach of this Agreement upon thirty (30) days written notice to the breaching party. If the breaching party does not cure the breach prior to the date of termination, then the other party may terminate the Agreement. If the breaching party attempts to diligently cure the breach, to the extent such breach cannot be reasonably cured within thirty (30) days, the other party may grant additional time to cure as it deems appropriate, but is under no obligation to do so.

This Agreement may be terminated by either party giving notice of its intent to terminate the Agreement on or before October 15 of any year, which termination shall be effective as of January 1 immediately following.

If User shall dissolve, become insolvent or otherwise unable to fulfill the terms of this Agreement, or abandon the use of the Premises for one season, this Agreement shall terminate and User shall have no further rights hereunder. Discontinuation of use of all or part of the Premises for maintenance, repair or rehabilitation purposes of the Premises shall not be deemed abandonment. If User changes the character of its operation significantly from that of a nonprofit corporation, then this Agreement shall terminate and User shall have no further rights hereunder.
17. **Liability.** User agrees that the City shall be held harmless from any and all liability arising from any operation or use under this Agreement of the described Premises by User, its agents, its employees, or any other person using the Premises. User further agrees to indemnify and defend the City against any and all claims arising from the operation or use under this Agreement of the described Premises by it and its agents, employees, assignees, invitees or any other person using the Premises. The parties agree that User may enter into separate agreements with other users of the Premises to hold harmless User and its directors, members, employees, and agents from claims arising from the use of others as discussed in this Agreement.

User agrees to purchase and maintain bodily injury and property damage insurance for each occurrence of injury or damage in the minimum amount of One Million Dollars ($1,000,000) for each occurrence of injury or damage and an aggregate limit of not less than Two Million Dollars ($2,000,000). The City shall be named an additional insured in said policy or policies and the User shall furnish to the City evidence of insurance by a certificate of insurance of required coverage. The parties agree that the City may adjust these insurance requirements on an annual basis and will provide written notice to User of any additional requirements for insurance required by this Section.

18. **Public Accounting.** User agrees to provide the Director of Parks and Recreation with a public accounting of its financial transactions no later than sixty (60) days after the close of its operating year. Such accounting shall be in the form of a report of income and expenses and a balance sheet of User’s assets and liabilities. Such accounting shall be made available for public inspection at the City Finance Office.

19. **Concession, Advertising, and Naming Rights.** User shall have the right to operate concessions for the sale of beverages, food, programs, and other items usually sold in the public parks. User shall have the right to sell advertising space on the inside of any buildings on the Premises, and all revenue derived from concessions and advertising shall belong to User. User agrees to maintain and repair any physical advertising on the inside of the Premises. User agrees to reimburse the City for any costs associated with removing such advertising if it is in a state of disrepair, if this Agreement has been terminated for any reason, or if the Agreement term has ended and the Agreement is not renewed.

User and the City shall jointly hold all naming rights for the facilities and Premises, and any naming of fields, buildings, improvements or areas shall be by mutual agreement of the parties. Consent sought by one party from the other shall not be unreasonably withheld. However, naming rights are subject to approval or disapproval by the Rapid City Parks and Recreation Advisory Board in accordance with the City’s Policy for Naming/Renaming of Parks and/or Recreational Facilities.

20. **City Authority.** All matters pertaining to the terms of this Agreement shall be subject to the powers of the City Council and its designated authorized agents consistent with the laws of the State of South Dakota. The City Council appoints and delegates the Director of Parks and Recreation as the primary contact point for the City with User in administering and fulfilling the terms of this Agreement.
21. **Relationship between the Parties.** This Agreement does not create any employee/employer relationship between the City of Rapid City and User, its agents or employees. Nothing contained in this Agreement is intended to create a partnership or joint venture between User and the City, and no agent of User shall be the agent of the City. User covenants that it will not take any action in the name of, or by holding itself out as the agent of, the City of Rapid City.

22. **Integration.** The parties agree that this Agreement, along with any attachments, constitutes the entire understanding between the parties and supersedes all prior negotiations, agreements, and understandings, whether oral or written.

23. **Savings Clause.** Should any of portions of this Agreement be declared void, the remainder of the Agreement shall remain in full force and effect.

24. **Choice of Law.** This Agreement shall be governed by the laws of the State of South Dakota and any action to enforce the terms of this Agreement shall be venued in the Seventh Judicial Circuit, Pennington County, South Dakota.

25. **Waivers.** The failure by one party to require performance of any provision of this Agreement shall not affect that party’s right to require performance at any time thereafter, nor shall a waiver of any breach or default of this Agreement constitute a waiver of any subsequent breach or default or a waiver of the provision itself.

26. **Amendments.** This Agreement may only be amended by a written document duly executed by both parties.

27. **Headings.** The headings and numbering of the different sections of this Agreement are inserted for convenience only and are not to control or affect the meaning, construction or effect of any provision.
