Vicki & Fletcher:

On behalf of the applicant (Dr. Anderson) and the owners (Black Hills Works) we would like to appeal the denial #18UR008 to allow a school in a Light Industrial zoning district.

My understanding is that the application for the rezone (with the recommendation to deny) will be heard by Council on Monday, August 20, 2018.

Can you please confirm that the appeal will also be heard at the same meeting and can be placed in conjunction with the rezone on the Council agenda?
