**RE: Proposed Robbinsdale Heights Vision**

Dear Neighbor,

Attached is a copy of our vision for the land along the extension of Hanover Drive to Kentucky Lane. This plan includes:

1. Residential homes bordering the existing homes to the south
2. Residential cottage home community

With the growth in our community and the need for good residential infill development, we believe that this project will provide an environment where people can live, play and enjoy life.

We wish to invite you for an informational meeting to discuss our vision, get your feedback, and address any concerns you have about the development specifically as well as the area in general. We value your input and we hope we can address your concerns.

You are invited to a meeting at: **520 Kansas City Street (3<sup>rd</sup> floor), Rapid City, SD**. The meeting will be held on Wednesday May 15<sup>th</sup> at 6:30 pm and is expected to last for 1 hour and 30 minutes or until we can address your concerns.

We look forward to meeting you.

Best Regards,
