Re: 2018-19 AFSCME contract

Motion: Move to approve the corrected 2018-2019 AFSCME library contract.

Background: After the Union's and Board's approvals of the AFSCME library contract, the City Attorney's office noticed some date and punctuation errors. These errors have been corrected, but require a new approval of the contract.

The two year contract extends from January 2018 – December 31, 2019; the previous date indicated the contract extended through 2020.
