MEMORANDUM

TO: Metropolitan Planning Committees

FROM: Patsy Horton, Long Range Planning Manager

DATE: April 4, 2016

RE: **No. 16TP010 – Approve a no-cost time extension with Fugro Geospatial, Inc, for the LiDAR, Orthophotography and Elevation Contours contract**

In February 2015, Fugro Geospatial, Inc. was hired to acquire new LiDAR, Orthophotography and Elevation Contours for the MPO Planning Area. The photography was flown in early 2015 and delivered in the fall of 2015. Fugro and the Geographic Information System staff have been working for several months to address issues with the software that allows the MPO agencies to view the oblique imagery. The contract extension allows Fugro and staff to resolve the add-on software issue.

STAFF RECOMMENDATION: Staff recommends approving Amendment No. 1 to the contract with Fugro Geospatial, Inc. for the LiDAR, Orthophotography and Elevation Contours for a no-cost time extension to December 31, 2016.

EQUAL OPPORTUNITY EMPLOYER
