This applies to contracts for the purchase, lease or rental of materials, supplies or equipment. If the contract is for the construction of public improvement, which involves the expenditure of a sum equal to or in excess of $25,000; then advertisement for bids is required. f) Purchase from lowest bidder of an item competitively bid by another local government or by itself within the previous 12 months (documentation of such purchases is to be made in the entity’s minutes and retained on file). A governing entity may not utilize the bid of another entity if the original bid specification included a trade-in allowance. If one entity accepts a bid net of trade-in allowances, another entity may not contract with the successful bidder by utilizing the ‘original bid amount’ for a cash outright purchase.
