Memo Regarding: GOVERNMENT BUILDINGS FIVE YEAR PLAN
FUNDING SCHEDULE ADJUSTMENT

To: CIP Committee

From: Rod Johnson, Operations Management Engineer

We have a 2018 West Side Salt Storage Project that, based on our currently identified location for the project, cannot be constructed until 2020. We request moving the \$150,000 funding to 2020.

We are also finalizing our 2018 Roof Replacement Project. We have identified four buildings that have old roofs and multiple leak issues. The current estimate for the work is approximately \$300,000. We request moving the 2020 Roof Replacement Funding of \$150,000 to 2018 to bring the 2018 total to \$300,000.
