**Snowplow Sam 1-4**

Snowplow Sam levels are for children ages 4 & 5. These classes are designed to develop preliminary coordination and strength necessary to maneuver on the ice independently. Skills include proper falling and getting up techniques as well as balance, marching and gliding maneuvers. Skills in Snowplow Sam classes are taught primarily through fun and games. Bike helmets and gloves are recommended. Classes are 35 minutes long with 5 minutes of off-ice warm up every class.

**Pre Freeskate and Freeskate 1-6**

Upon completion of the Basic Skills levels, the student is ready for Pre Freeskate and then Freeskate classes. Each level offers progressive skating skills, transitions, spins and jumps. Each skill builds on the last. Instructors focus on quality and mastery of skills. All skaters progress through these levels at different rates, and some levels may require repetition in order to master.

**Youth Hockey 1-4**

Our hockey curriculum is designed to teach the skater basic skills that are specifically geared for future hockey players. Proper beginning skating techniques are the primary focus. These classes are open to those 17 years of age and under. While full personal protective gear is not required, bike helmets are required.

Basic 1, 2 & 3 levels are designed for learning balance, stroking and edge control. Basic 4 & 5 focus on forward/ backward crossovers and 3 turns. Basic 6 teaches more advanced turns and edges. Students progress through these levels at different rates, and some levels may require repetition and extra practice time at Learn to Skate Drop In to master necessary skills fully.

**ONE* FREE Six Punch Pass for each student enrolled in Learn to Skate Classes.**

Each student enrolled in a Learn to Skate session will receive *ONE* “6 punch pass” (regardless of number of classes enrolled in).
