AGREEMENT FOR CONSTRUCTION OF PUBLIC WATER BETWEEN THE CITY OF RAPID CITY AND BIGHORN CANYON MINISTRIES, INC.

THIS AGREEMENT is made and entered into by and between the CITY OF RAPID CITY, a municipal corporation, of 300 Sixth Street, Rapid City, SD 57701, hereinafter referred to as the “City,” and BIGHORN CANYON MINISTRIES, INC., a South Dakota nonprofit corporation, of 3777 Anderson Rd. Rapid City, SD, 57703 hereinafter referred to as the “Developer.”

WHEREAS, the Developer desires to construct approximately 865 linear feet of 10” diameter water distribution main to provide water service for the Developer’s facility located at Lot 6 of Tract A of Knight’s Acres Subdivision, Pennington County, South Dakota, as shown on the plat filed in Plat Book 31, Page 136 (3777 Anderson Road), Rapid City, South Dakota 57703; and

WHEREAS, the Developer has entered into the Agreement, City of Rapid City Early Connection Water Service Agreement for Property Located in the East Rapid City Users Region with the City that identifies the terms and conditions of the provision of water service by the City; and

WHEREAS, the Developer plans to construct the 10” water distribution main on Developer’s property at 3777 Anderson Road within a water main easement dedicated to the City; and

WHEREAS, the Developer has submitted preliminary drawings for the requested water distribution main; and

WHEREAS, the City has agreed to accept ownership of the water distribution main upon its completion according to the terms of this Agreement.

NOW, THEREFORE, in consideration of the mutual promises, covenants and conditions herein set forth, it is agreed by the parties as follows:

1. The Developer hereby agrees to contract with a professional engineer to design the water distribution main. The water distribution main plans shall be designed in accordance with the City’s Infrastructure Design Criteria and the City’s Standard Specifications for Public Works Construction. All plans shall be approved by the City prior to starting construction.

2. The Developer hereby agrees to contract with a professional engineer to provide construction observation services for the water distribution main construction. The City reserves the right to observe and inspect all construction activities within the public right-of-way and easement(s) dedicated for the water main.

3. The Developer agrees to construct the water distribution main according to the approved plans. No changes or variances from the plans shall be allowed unless approved by the City in writing.
4. The Developer agrees to timely provide all necessary easements for the City to own and maintain the water main on the Developer’s property and to contract with a professional engineer to provide the exhibits for such easements.

5. The Developer shall be responsible for all construction costs associated with the water distribution main. Principle components are approximately 865 feet of 10-inch water distribution main, fire hydrants, gate valves, and associated appurtenances.

6. The Developer shall conduct a pre-construction meeting prior to commencing construction of the water distribution main. The Developer shall notify the City and all affected private and public utilities affected by the project of the meeting date and time a minimum of five working days prior to the meeting. The Developer, the Developer’s professional engineer, and the Developer’s construction contractor shall attend the pre-construction meeting.

7. The Developer agrees to obtain all applicable permits prior to construction.

8. The Developer agrees to provide a two-year warranty that all materials furnished and installed and work completed pursuant to this contract will be new, and shall be of good quality, free from defects, and in conformance with the approved plans and specifications. The warranty shall also meet the requirements of the City’s Standard Specifications for Public Works Construction, Section 7.65.

9. Prior to project acceptance by the City, a warranty bond, or other equivalent surety, in an amount equivalent to ten percent (10%) of the total cost of the 10” water main shall be provided to the City to secure the warranty for a period of two years. The surety shall be in a form acceptable to the City Attorney.

10. Acceptance of the project by the City will not be considered until all construction and testing is completed and as-built plans submitted. Upon the City’s approval of the same, acceptance will be documented by issuance of an acceptance letter by the City.

11. In the event that any section(s), or provision(s) of this Agreement is declared invalid for any reason whatsoever by any competent court, such invalidity shall not affect any other section(s) or provision(s) of this Agreement if it can be given effect without the invalid section(s) or provision(s).

12. The parties agree that the terms of this Agreement shall be governed by the laws of the State of South Dakota. In the event of any conflict of laws, the law of the State of South Dakota shall be controlling. Any legal action arising out of or relating to this agreement shall be brought only in the Circuit Court of the State of South Dakota, Seventh Judicial Circuit, located in Rapid City, Pennington County, South Dakota.

13. The parties agree that this writing constitutes the entire agreement between them and that there are no other oral or collateral agreements or understandings of any kind or character except those contained herein. No modification or amendment to this Agreement shall be valid, unless evidenced by a writing signed by the parties hereto.
