WHEREAS, the City has agreed to accept ownership of the sanitary sewer main upon its completion according to the terms of this Agreement.

NOW, THEREFORE, in consideration of the mutual promises, covenants and conditions herein set forth, it is agreed by the parties as follows:

1. The Developer hereby agrees to contract with a professional engineer to design the sanitary sewer main. The sanitary sewer main plans shall be designed in accordance with the City’s Infrastructure Design Criteria Manual and the City’s Standard Specifications for Public Works Construction. All plans shall be approved by the City prior to starting construction.

2. The Developer hereby agrees to contract with a professional engineer to provide construction observation services for the sanitary sewer main construction. The City reserves the right to observe and inspect all construction activities within the public right-of-way.

3. The Developer agrees to construct the sanitary sewer main according to the approved plans. No changes or variances from the plans shall be allowed unless approved by the City in writing.

5. The Developer shall conduct a pre-construction meeting prior to commencing construction of the sanitary sewer main. The Developer shall notify the City and all affected private and public utilities affected by the project of the meeting date and time a minimum of five working days prior to the meeting. The Developer, the Developer’s professional engineer, and the Developer’s construction contractor shall attend the pre-construction meeting.
6. The Developer agrees to obtain all applicable permits prior to construction.

7. The Developer agrees to provide a two-year warranty that all materials furnished and installed and work completed pursuant to this contract will be new, and shall be of good quality, free from defects, and in conformance with the approved plans and specifications. The warranty shall also meet the requirements of the City’s Standard Specifications for Public Works Construction, Section 7.65.

8. Prior to project acceptance by the City, a warranty bond, or other equivalent surety, in an amount equivalent to ten percent (10%) of the total cost of the 8” sanitary sewer main shall be provided to the City to secure the warranty for a period of two years. The surety shall be in a form acceptable to the City Attorney.

9. Acceptance of the project by the City will not be considered until all construction and testing is completed and as-built plans submitted. Upon the City’s approval of the same, acceptance will be documented by issuance of an acceptance letter by the City.

10. In the event that any section(s), or provision(s) of this Agreement is declared invalid for any reason whatsoever by any competent court, such invalidity shall not affect any other section(s) or provision(s) of this Agreement if it can be given effect without the invalid section(s) or provision(s).

11. The parties agree that the terms of this Agreement shall be governed by the laws of the State of South Dakota. In the event of any conflict of laws, the law of the State of South Dakota shall be controlling. Any legal action arising out of or relating to this agreement shall be brought only in the Circuit Court of the State of South Dakota, Seventh Judicial Circuit, located in Rapid City, Pennington County, South Dakota.
