North Street, said curve having a chord bearing of N38°15'45"E, a chord distance of 55.10 feet, a delta of 01°02'51", a radius of 3014.79 feet and a length of 55.10 feet to a point; Thence S65°36'23"E, a distance of 175.80 feet to a point along a line between Lot C of Menard Subdivision and N. Creek Drive; Thence S24°23'37"W, a distance of 72.00 feet to the point of beginning
LETTER OF INTENT
FOR
FINAL PLANNED DEVELOPMENT
FOR
FIRST INTERSTATE BANK
LOCATED ON PROPOSED LOT C-1 OF MENARD SUBDIVISION
RAPID CITY, SD

First Interstate Bank intends to construct a new bank on proposed Lot C-1 of Menard Subdivision in Rapid City. Banking services include office banking, drive up banking, and a drive up ATM.

The Preliminary Subdivision Plan for the proposed Menard Subdivision was approved by the Planning Commission on May 28, 2018 and City Council on June 4, 2018. (City File 18PL032). The Final Plat will be submitted in the near future.

Regarding the forthcoming Final Plat, which will include the vacation of Camden Drive, it is noted that (1) an Exception to waive the requirement to construct a second water main in East North Street has been obtained, (2) approval letters have been received from Utility Companies for the vacation of Camden Drive, and (3) approval letters have been obtained from Utility Companies for the vacation of lot line easements related to the vacation of Camden Drive.

The site is zoned General Commercial with Planned Development Overlay. The project is intended to meet the requirements of the General Commercial Zoning district with certain exceptions being requested as described below.

- Reference Municipal Code 17.50.100 B.1 - It is requested that a minimum separation of 50' be allowed between on-premise ground signs in lieu of the code requirement of 100'. This request applies to the two proposed signs along the North Creek Drive frontage.

- Reference infrastructure Design Criteria Manual 2.16.5 - It is requested that radii of 15' be allowed on the access approach fillets in lieu of the required 30' radii required for Commercial sites. Fifteen (15) foot radii are adequate for the type of traffic at this facility. Fifteen (15) foot radii match other existing approaches in the vicinity of this project.

The offsite grading shown on Proposed Balance of Lot C has been authorized by the property owner, Menards Inc. Documentation will be provided with the Building Permit application.

(End Letter of Intent)
