Public Works Committee/Common Council

RE: Request Authorization to Seek Proposals for Engineering Services for Analysis of Federal Emergency Management Agency (FEMA) Special Flood Hazard Area (SFHA) Meade/Hawthorne Drainage Basin Project No. 18-2458 / CIP No. 51190

Staff proposes to prepare detailed hydrologic studies, Letters of Map Revision to SFHA identified in the current National Flood Insurance Rate Map and recommendations for future public infrastructure projects including cost estimates in the Meade/Hawthorne Drainage Basin.

Staff proposes to hire a Consultant to be responsible for preparing the analysis.

The project is funded from the Stormwater Enterprise fund. The project budget is $85,000 and is budgeted for 2019.

Ted Johnson
City Engineer
