FROM: David Van Cleave
DATE: 2 Nov 2018
RE: Lift Pump Bid

Due to concerns about an exception to the bid specification for the Lift Pump (Vertical Turbine) I am requesting to reject the sole bid from Dakota Pump and Control. The exception was related to the type of Stainless Steel that is being used to build the pump impeller that may shorten the useful life of the unit. We will revisit the bid specifications and rebid at a later date.
