RE: Rapid City, SD Snow Removal Parking Lots 4 and 5

Dear Mrs. Furchner:

It is with great disappointment that we must notify you that we will be unable to provide the services we bid for Parking Lots 4 and 5 in Rapid City, SD. One of our office staff made a clerical mistake and filled the bid sheet with pricing for the incorrect region. We have made diligent efforts to honor the bid as-is, but have found that we cannot honor this bid with a level of certainty as to the quality of the work that we would expect. Rather than risk producing services at a quality below the standards of Rapid City and Marathon Resource Management Group, we wanted to let you know and provide you with options to move forward.

We will gladly re-bid the project but also understand if you must simply move on to the next lowest bid. Otherwise, we will continue doing our best to arrange quality services within the bid pricing, but this will likely delay the start of services further. Please let us know how you would like to proceed, so we can adjust accordingly.

We appreciate your bid award to Marathon and hope to find more ways to partner with Rapid City going forward.

Sincerely,

James Stewart
