Learn to Skate USA

The Roosevelt Park Ice Arena is proud to deliver quality skating programs through Learn to Skate USA. These programs provide:

- A goal-oriented program that provides incentive and encouragement to keep skaters motivated.
- A personalized approach that allows skaters to progress at their own rate and advance after skill mastery is demonstrated.
- A curriculum that offers something for everyone—from first steps on the ice to mastering advanced techniques.
- Solid skill development based upon the ABCs of basic athleticism—agility, balance, coordination and speed.
- A progressive system that upon completion of the program, allows skaters to confidently advance to more specialized areas of skating.
- Access to continued education and resources for parents of young skaters to assist with making the appropriate decisions along the way.
- Nationally certified Learn to Skate USA instructors, assistants and volunteers.

***ONE* FREE Six Punch Pass for each student enrolled in Learn to Skate Classes.**

Each student enrolled in a Learn to Skate session will receive *ONE* “6 punch pass” (regardless of number of classes enrolled in). Pass is good for admission into Public Skate or Learn to Skate Drop In six times during their session. This will provide skaters time to practice newly emerging skills. These punch cards can ONLY be used for the registered student and will expire at the end of the session. If parents, siblings or friends accompany the child onto the ice, they must pay the regular skate admission for the session they are attending.

Snowplow Sam 1-4

Snowplow Sam levels are for children ages 4 & 5. These classes are designed to develop preliminary coordination and strength necessary to maneuver on the ice independently. Skills include proper falling and getting up techniques as well as balance, marching and gliding maneuvers. Skills in Snowplow Sam classes are taught primarily through fun and games. Bike helmets and gloves are recommended. Classes are 35 minutes long with 5 minutes of off-ice warm up every class.

Pre Freeski and Freeski 1-6

Upon completion of the Basic Skills levels, the student is ready for Pre Freeski and then Freeski classes. Each level offers progressive skating skills, transitions, spins and jumps. Each skill builds on the last. Instructors focus on quality and mastery of skills. All skaters progress through these levels at different rates, and some levels may require repetition in order to master.

Youth Hockey 1-4

Our hockey curriculum is designed to teach the skater basic skills that are specifically geared for future hockey players. Proper beginning skating techniques are the primary focus. These classes are open to those 17 years of age and under. While full personal protective gear is not required, bike helmets are required. No sticks or pucks will be used during this summer session

Basic 1, 2 & 3 levels are designed for learning balance, stroking and edge control. Basic 4 & 5 focus on forward/ backward crossovers and 3 turns. Basic 6 teaches more advanced turns and edges. Students progress through these levels at different rates, and some levels may require repetition and extra practice time at Learn to Skate Drop In to master necessary skills fully.
