Re: Extending Chemical bid for another year 2019-2020

Jim,

We will extend the current bid prices for the upcoming year for the following chemicals to the wells, Jackson Springs, and the Municipal Water Treatment Facility.

Azone15(Sodium Hypochlorite)- truckload	\$1.55 per gallon
Citric Acid 50%-pumped into tank	\$10.50 per gallon
Sodium Bisulfite 38%-pumped into tank	\$4.50 per gallon
Sodium Hydroxide 50%-pumped into tank	\$6.50 per gallon
150 lb. cylinder Gas Chlorine	\$118.50ea.
One ton cylinder Gas Chlorine	\$900.00ea.
Hydrofluosilicic Acid-pumped into tank	\$5.684 per gallon

Thank You for your past and future business with Hawkins.

Sincerely,

Derek R. Alexander
