Public Comment closed

ITEMS FROM THE PUBLIC WORKS DEPARTMENT

ENGINEERING

11) PW061119-03: Tech advised that staff supports approving because the alternate site for the sidewalk is a safer, more accessible option based on terrain. Request from Yeshua, LLC for a Variance to Waive the Requirement to Install Sidewalk per City Ordinance 12.08.060 along Holiday Lane and install sidewalk in alternate location for the property located at 3808 Sheridan Lake Road.
Motion by Modrick to Approve. Second by Roberts. Motion Carried Unanimously.

12) PW061119-08: Behlings advised that the 40 unit rule protections can be maintained by the use of sprinklers and wildland fire mitigation provisions. Behlings explained that sprinkler fire protections provides residential safety and property protection that is effective and constantly available to provide protection and allow residents to defend in place against the risk of fire danger. Request from Renner & Associates for an Exception to allow more than 40 dwelling units along Clarkson Road with only one access. Per Section 2.6 of the Infrastructure Design Criteria Manual (IDCM), a single access can only serve 40 dwelling units unless an exception is approved by City Council.
Motion by Nordstrom to Approve, Second by Modrick. Motion Carried Unanimously.

SPECIAL ITEMS FROM THE PUBLIC

13) PW061119-01: Cushman explained that property was platted in 2007. At that time, there were variances granted and developer submitted a letter of credit to secure the requirement to complete improvements. Staff previously advised that the developer needed to construct the improvements or provide an updated letter of credit to account for the additional cost to construct the improvements at this time. The developer has not provided an updated letter of
credit and has now requested that the improvements be waived. Nordstrom stated that waiving these requirements would amount to a deferred developer project which would become a cost born by the City to install the improvements. Landeen advised that they have already secured platting for this subdivision, so we have a responsibility to ensure the developer completes the work they agreed to. Landeen also advised that future developments that have been approved by City Council are dependent upon these improvements. Request from BPRushmore, LLC to eliminate requirements to build subdivision improvements for IGT Subdivision previously approved by City Council in 2007.
Motion by Scott to deny. Second by Nordstrom. Motion Carried Unanimously.

14) PW061119-09: Drew stated that she received a lot of negative feedback from her constituents regarding the proposed changes. Drew stated that she does not feel requiring the citizens of the West Blvd historic district to bring their trash to the street does them a disservice because of the additional restrictions placed on the residents of this area for the maintenance of their homes. Drew stated that her actions were instrumental in having this policy retracted. Drew stated that citizens also have a responsibility to maintain the alley in a manner that is free of obstructions, to enable the efficient execution of collection routes and protect public safety. Modrick encouraged people to adhere to the stated policies of the Solid Waste division. Scott stated that staff is diligent in trying to implement cost savings. Scott congratulated staff for taking another look at this policy and encouraged staff to bring changes forward to be reviewed in the future. Nordstrom emphasized that street maintenance and garbage collections are historically points of contention with Rapid City citizens. Nordstrom advised that we also need to be mindful of employee safety as a consideration in implementing changes. Roberts stated there are a lot of variables and citizens were upset that they had no input on the implementation of the policy. Roberts stated that renters and multifamily homes, in addition to high traffic areas, create problems that need to be addressed. Discussion of trash collection alley pick up.
Motion by Scott to acknowledge. Second by Nordstrom. Motion Carried Unanimously.

ADJOURN
Motion by Scott to Adjourn. Second by Nordstrom. Motion Carried Unanimously.
