From: Sean Minkel, Assistant Library Director  
Re: Naming of Library Facilities and Collections Policy

**Motion:** Move to eliminate the Naming of Library Facilities and Collection Policy.

**Background:** The Naming of Library Facilities and Collections Policy describes the requirements for naming or renaming a library facility, area or collection.

As events leading to the naming of a library facility or collection are rare and as the library board already has the level of discretion required to approve these on a case by case basis, it is recommended that the Naming of Library Facilities and Collection Policy be removed.
