

UNATTENDED CHILDREN POLICY

~~May 9, 2016~~ August 12, 2019

~~The purpose of this policy is to inform patrons of the Rapid City Public Library of~~ outlines the expectations and guidelines for use of the library by children. The safety of children is of the utmost concern for the Library Board and staff. However, the safety and responsibility of children at the library remains primarily with the parent or caregiver and not with the library or its staff.

~~The Rapid City Public Libraries welcome children of all ages, but requires supervision of children 8 years of age and under. The~~ Library provides educational and enriching community spaces but can pose hazards for unattended children, who may encounter circumstances they are unprepared to handle effectively. This may lead to potentially unsafe situations or behavior policy infractions.

~~Under this policy~~ As a result, children age 8 and under must remain in the immediate vicinity of a parent or a responsible caregiver. Caregivers must be over the age of 16 and may be a sibling, relative or anyone a parent designates as a responsible party.

Children of every age are expected to adhere to the Behavior Policy. ~~Failure to adhere to this policy may warrant loss of library services as outlined in the Libraries' Behavior Policy.~~

Should a child be found unattended on library premises, staff will attempt to reach a parent or guardian to pick up the child. If a parent or guardian is unavailable, the appropriate authorities will be contacted, to reach a parent or guardian and/or escort the child home. Likewise, if children aged 8 or younger violate the Behavior Policy to the extent that a suspension is imposed their responsible party must remove them from the library for the duration of their suspension.

~~Additionally~~ At staff's discretion, unattended children ~~under the ages of 12~~ who do not have transportation at or near closing time will be asked how to contact a parent or guardian. Staff will attempt to contact the parent or guardian by phone and ask that person to pick up the child within 15 minutes. Should there be no response to the calls, staff will contact the appropriate authorities.
