Re: Communico Contract

Motion: Move to approve signing a contract with Communico for a website platform and event and meeting room applications

Background: Approval of this contract is brought to the Board because the cumulative cost would be over the limit of the Director's approval.

Communico's service will provide a user-friendly platform for a new website, and also provide new platforms for enhanced event publicity and registrations and meeting room registrations. The leadership team has thoroughly reviewed this application in conjunction with the city's IT Director.

The contract has been reviewed and approved by the City Attorney's office.
