MAYOR’S ITEMS
2) LF112719-06 – Assistant City Attorney Kinsley Groote provided a summary of the Resolution. Groote said the resolution establishes a Youth City Council which will have a membership consisting of 2 non-voting members (a liaison from the City Council and an administrative coordinator from Rapid City Area Schools) and youth which could include up to 18 members, but a minimum of 5, and will be between the ages of 14 and 18. A selection committee will accept applications throughout the year, select voting members, choose the term length of the youth (between one and two years), and at the end of the year, the selection committee will select the new group for the next year. She explained the first business of the Youth City Council will be to pass the bylaws which would come to the City Council for approval. Groote reported that the meetings will be held in the City Council Chambers taking place the second Tuesday of every month with the possibility of some additional meetings. Topics in the meetings may include items that are on the current City Council Agenda and department directors will come and give presentations about their departments. Kirstin Kiner, Youth Engagement Coordinator for Rapid City Area School, explained her position in supporting the youth, helping them to figure out how to share their voice and implement change within our community. She thanked the City for the support and encouragement on this concept for a Youth City Council. Ms. Kiner introduced Jordyn Kokesh, a junior from Stevens High School who is one of the co leaders in the development of this proposal. Ms. Kokesh stated she will be available after the meeting to discuss sustainability and the application process. Nordstrom recognized that Lance Lehmann is nominated to be the liaison from

AIRPORT
3) LF112719-02 – Airport Executive Director Patrick Dame explained the rates that have changed are ones that are tied to the Airports contractual obligations with various different lease agreements. There are portions of the leases that are tied to the consumer price index and as that goes up, so do the lease agreements. He pointed out the T-hanger leases that the Airport rents out, are tied to CPI, and these were changed to round to the nearest whole number with the new agreements coming forward. (Example: $310.59 /$310.00 and $258.82/$260.00) He added that adjustments will be made with the CPI in the background and then increase in $5.00 increments. Dame relayed that the landing fees and terminal rent fees are based on the contractual agreements with the air carriers in which charges are based on the actual cost of the terminal and actual cost of the runway and those services associated with the runway, such as firefighting. He illustrated that if there is a bad snow year, you would see that cost go up the next year because it is based on actual cost. Lewis moved to Approve Rapid City Regional Airport Rates and Charges for FY2020. Second by Nordstrom. Motion carried.

COMMUNITY DEVELOPMENT

10) 19TP027 – Lewis asked what percent is being funded by federal grant money. Kip Harrington from Long Range Planning informed the committee that the study is funded through the Metropolitan Planning Organization which is Federal Transportation Planning funds which counts for 81.95% of the study’s cost and the City makes up the other 18.05% match. Harrington pointed out that it is a transportation related study and this is just the first step in a long process; if it works with transportation, then it would move on to an engineering phase and then construction plans would be created once funding is determined. It would not be something that would sit on a shelf but will inform the City on next steps to take. Nordstrom added that this study can also open up the opportunity for additional grants. Lewis moved to approve the re-consideration to authorize the Mayor and Finance Officer to sign the Professional Services Agreement for the Sixth and Omaha Street Pedestrian and Bicycle Crossing Study and Sixth Street Promenade Corridor Master Plan with Felsburg Holt & Ullevig in an amount not to exceed $125,097.00. Second by Nordstrom. Motion carried.

11) 19OA007 – Lehmann moved to approve the Second Reading and Recommendation of Ordinance No. 6363 - A request by City of Rapid City to consider an application for an Ordinance Amendment to Allow for Accessory Dwelling Units in Residential Districts by Amending Title 17 of the Rapid City Municipal. Second by Lewis. Motion carried.
