Reserve Room and Asset Reservation module, unlimited rooms.	Purchased
Engage Native mobile app for Android and iOS operating systems.	\$7,000 per annum
Broadcast Digital Signage module, unlimited screens.	\$3,000 per annum
Implementation One-time fee for set-up & implementation to be specified in the Statement of Work	25% of total annual fee

Additional Modules and Services

Roam Staff mobile app for Android and iOS operating systems.	\$7,000 per annum
Additional Training Webinar Training Onsite Training	\$150 per hour \$995 per day

Small Print

This quotation is subject to the following terms and conditions:

Pricing based on Rapid City Public Library's stated service population of 105,000.

Quoted prices are valid for 30 days.

Communico's general terms and conditions of purchase apply to this quotation and can be found at <http://communico.co/legal>

Agreement and next steps

If the quotation is acceptable and your organization would like to move forward, please inform your Account Manager via email. Upon receipt, Communico will then produce a Statement of Work outlining the implementation timeframes and responsibilities of both parties. This will then be sent to you accompanied by an order form for review and signature.
