**Tax Increment District #78  
Unnamed Tributary Channel  
Project Plan Amendment No. 2**

**Applicant:** Yasmeen Dream, LLC

**Purpose of Tax Increment District:** The creation of the Tax Increment District was approved on October 3, 2016 and as amended in November 2019. The purpose of this Tax Increment District was defined as:

- a. Construct City regional drainage facilities to provide improved flood control and storm water quality.
- b. Stimulate economic activity in the community with the development of new and much needed medical facilities on the east side of Rapid City, as well as new service offices, retail, and residential uses in an accessible and beautiful location.
- c. Develop a property on a highly visible gateway corridor to Rapid City.
- d. Provide safer traffic flow along SD Highway 44 and safer ingress and egress routes serving the development.
- e. Increase the safety of the community by providing secondary access from a signalized intersection to the existing homes and to the proposed development.

The Tax Increment Funds were to be utilized for a channel construction, a traffic signal, 15" gravity sewer main, professional fees, financing, and contingency. The Project Plan is to be funded by the Applicant.

The Applicant is requesting to amend the existing project plan to reallocate the phase II capital project costs from the 15" Gravity Sewer Main to construct a regional public lift station.

More specifically the proposed change would reallocate the project costs, removing \$265,521.79 from the 15" gravity sewer main capital costs and add \$265,521.79 to Capital Project Costs for the construction the proposed regional public lift station.

Summary of TID #78 Project Plan Amendment No. 2			
	Original Project Plan Costs	Plan Amendments	Reallocated Project Plan Costs
<b>Developer Phase II</b>			
<b>Project Cost Description</b>			
<b>Capital Projects</b>			
Regional Public Lift Station	\$0.00	\$265,521.79	<b>\$265,521.79</b>
15" Gravity Sewer Main	\$265,521.79	<b>(\$265,521.79)</b>	<b>\$0.00</b>
<b>Total Phase II Capital Costs</b>	\$265,521.79	\$0.00	<b>\$265,521.79</b>

The existing and anticipated residential and commercial development in the area will generate revenues to repay the costs of the identified improvements.

The need for the Lift Station is resultant of no current access or availability to a regional sanitary sewer facilities to serve this portion of the property. The added cost of the Lift Station above and beyond what was provided in the original project has contributed to making the investment less financially feasible than originally requested.

The public regional lift station is being proposed to be covered by Tax Increment Financing and is regional in nature. The utilizing of TIF process to fund the public improvements would expedite this development and will free up tax payer funds to be utilized on other public projects.

The construction of the proposed regional public lift station will happen as soon as possible pending the South Dakota State Bid Law bidding process and approval of the TIF amendment.

See attached Public Infrastructure Location Exhibit, Lift Station Construction Plans, and detailed Cost Estimate to add clarification and to provide the necessary supporting documentation.

**TID Boundaries:** The TID boundary remains unchanged, see attached exhibit.

**Existing Base Valuation:** \$6,325,700 as determined by the South Dakota Department of Revenue as of October 3, 2016.

**Criteria for Evaluation.** Projects applying for assistance through TIF must qualify by meeting certain criteria. Some criteria are mandatory and must be met in order for the Committee to consider the project for assistance. Others are discretionary, and enable the Committee to determine the benefits of the project. The project application must demonstrate how the project meets the required criteria.

- |  | Applies                             |
|--|-------------------------------------|
| 1. The project must be located within a proposed district in which a minimum of twenty-five percent (25%) of the area of the District is determined to be "blighted" and the improvements are likely to enhance the value of substantially all of the other real property in the district. For the purposes of TIF, a "blighted area" is defined as: | <input checked="" type="checkbox"/> |
| A. An area in which the structures, buildings, or improvements are conducive to ill health, the transmission of disease, infant mortality, juvenile delinquency, or crime, and which is detrimental to the public health, safety, morals, or welfare; or,  | <input type="checkbox"/>            |
| B. An area that substantially impairs or arrests the sound growth of the municipality, retards the provision of adequate housing accommodations, or constitutes an economic or social liability and is a menace to the public health, safety, or morals, or welfare as a result of substandard, unsafe or deteriorating development; or,             | <input checked="" type="checkbox"/> |
| C. An open area which because of the need for infill development and cost effective use of existing utilities and services, obsolete platting, diversity of ownership, deterioration of structures or site improvements, or otherwise is determined to be blighted, substantially impairs or arrests the sound growth of the community.              | <input checked="" type="checkbox"/> |
| 2. The project must comply with the adopted Comprehensive Plan and all other appropriate plans and regulations.  | <input checked="" type="checkbox"/> |
| 3. The use of TIF for the project will not result in the net loss of pre-existing tax revenues to the City and other taxing jurisdictions.   | <input checked="" type="checkbox"/> |

**In addition, a project must meet two of the following six criteria:**

- |  | Applies                             |
|--|-------------------------------------|
| 1. The project must demonstrate that it is not economically feasible without the use of TIF. In addition, if the project has site alternatives, the proposal must demonstrate that it would not occur in Rapid City without TIF. | <input checked="" type="checkbox"/> |
| 2. The project will eliminate actual or potential hazard to the public. Hazards may include condemned or unsafe buildings, sites, or structures.   | <input checked="" type="checkbox"/> |
| 3. The project will not provide direct or indirect assistance to retail or service businesses competing with existing businesses in the Rapid City trade area.   | <input checked="" type="checkbox"/> |
| 4. The project will bring new or expanded employment opportunities as demonstrated by proposed wage scales, employee benefits and mixture of full and part-time employees.   | <input checked="" type="checkbox"/> |
| 5. The project will result in additional redevelopment in the following Tax Increment Financing Target Areas:  | <input type="checkbox"/>            |
| A. Downtown District (see Appendix A for description)  | <input type="checkbox"/>            |
| 6. The project will result in the construction of affordable housing units defined as housing where the occupant is paying no more than thirty percent (30%) of gross income for housing costs including utilities               | <input type="checkbox"/>            |

and complies with the following requirements:

- A. Affordable housing projects must target residents at or below eighty percent (80%) of median income with rents at thirty percent (30%) of the tenants income or the Fair Market Rent (FMR) for the Section 8 Program whichever is greater. A minimum of 51% of the dwelling units of the proposed development shall be occupied by households meeting this income guideline;
- B. Affordable housing is required to remain affordable as defined above for ten (10) years. If affordability is less than ten (10) years, repayment of prorata share of increment benefit will be due and payable to the City.

**Discretionary Criteria.** In addition, the project should meet several of the following criteria. The project will be evaluated relative to the criteria outlined below. The extent to which a project meets these criteria will be used in evaluation of the project including the length of time a district may run.

- |  | <b>Applies</b>                      |
|--|-------------------------------------|
| 1. The project will generate at least one full-time job for each \$10,000 in principal value of the TIF; or would create a minimum of 50 new jobs.   | <input checked="" type="checkbox"/> |
| 2. All TIF proceeds are used for the construction of public improvements.  | <input checked="" type="checkbox"/> |
| 3. The project involves the rehabilitation of a building listed on or eligible for listing on the National Register of Historic Places.  | <input type="checkbox"/>            |
| 4. The project will directly benefit low and moderate income people, as defined by the U.S. Department of Housing and Urban Development as applied to the Community Development Block Grant Program. A project will meet this criterion if at least 51% of the jobs created will be held by or available to low and moderate income people.                | <input type="checkbox"/>            |
| 5. The building or site that is to be redeveloped itself displays conditions of blight as established by the provisions of SDCL 11-9.  | <input checked="" type="checkbox"/> |
| 6. The project involves the start-up of an entirely new business or business operation within the City of Rapid City.  | <input checked="" type="checkbox"/> |
| 7. The project involves the expansion of an existing business located within Rapid City.   | <input checked="" type="checkbox"/> |
| 8. The project site has displayed a recent pattern of declining real property assessments, as measured by the Pennington County Director of Equalization.  | <input type="checkbox"/>            |
| 9. The project costs are limited to those specific costs associated with a site that exceed the typical or average construction costs (i.e. excessive fill, relocation costs, additional foundation requirements associated with unusual soil conditions, extension of sewer or water mains, on-site or off-site vehicular circulation improvements, etc.) | <input checked="" type="checkbox"/> |
| 10. The developer agrees to waive the five-year tax abatement.   | <input checked="" type="checkbox"/> |
