Pursuant to due call and notice thereof, a regular meeting of the City Council of the City of Rapid City was held at City Hall in Rapid City, South Dakota on Monday, February 3, 2020, at 6:30 P.M.

The following members were present: Mayor Steve Allender and the following Alderpersons: Ritchie Nordstrom, Lisa Modrick, Greg Strommen, Laura Armstrong, Chad Lewis, Lance Lehmann, Bill Evans, Darla Drew, Becky Drury; the following Alderpersons arrived during the course of the meeting: John Roberts; and the following were absent: NONE

Staff members present included: Finance Officer Pauline Sumption, City Attorney Joel Landeen, Police Chief Karl Jegeris, Community Development Director Ken Young, Parks and Recreation Director Jeff Biegler, Public Works Director Dale Tech, Fire Chief Rod Seals, and Administrative Coordinator Heidi Weaver-Norris.

ADOPTION OF AGENDA
Motion was made by Armstrong, second by Drury and carried to adopt the agenda.

GENERAL PUBLIC COMMENT
Becky Drury spoke on behalf of her granddaughter, Claire Hoff, who wanted to inform the citizens of Rapid City that plastic bags are harmful to animals. She wants people to be aware and stop littering.

Jerry Kline stated he wasn’t happy with the city snow plowing during the last storm. He said he ended up with three feet of ice on his sidewalk after the plows had been by. He thinks they need to do something different the next time.

Becky Drury asked for a Point of Privilege. She apologized that she did not verbalize her vote regarding the resolution expressing opposition to gold exploration at the Legal and Finance meeting. She stated that she did speak against the item but failed to verbalize her no vote when it was asked. Modrick appreciated Drury explaining her position and advocating that votes are verbalized in the future.

Bid Award Consent Items
35. CC020320-02.1 – Approve award of total bid for RC Public Library Air Handler Replacement, Project No. 19-2494 / CIP No. 51226 opened on January 28, 2020 to the lowest responsible bidder, Climate Control Systems and Service in the amount of $324,038.00.

END OF CONSENT ITEMS

Mayor read in item (LF012920-03) Approve Rapid City Youth City Council Bylaws. Drew was impressed with what the Youth City Council came up with. In response to the model they followed, Lehmann said Sean Bender has helped do these for other municipalities and was willing to help the youth council. Motion was made by Drew, second by Armstrong and carried to approve. Armstrong announced when the next Youth Council meeting would be.
NON-CONSENT ITEMS – Items 36 – 39

Janelle Fink, agent for Fisk Land Surveying, spoke to council regarding item (LF012920-02). She stated the applicant would like to waive pavement requirement. The property is outside city limits but within the 3-mile platting jurisdiction. All lots will be three acres or larger. She asked if the pavement could be deferred until the road district is created.

Daene Boomsmas spoke on item (PW012820-16). He said the sidewalk comes to a dead-end and abuts a drainage pond. He said they are putting in one side of the sidewalk and not asking for that side to be waived. He said the section going south won’t even be used and he would like it waived.

Mayor stated that item (LF012920-12) has 31 speaker request forms. He said this resolution will not affect the outcome of exploratory drilling. He read from the Rapid City Policies and Procedures manual 2-7, the public address to council. Any individual or group who wishes to address the council shall make a request to be on the agenda on forms provided. Each speaker will be limited to three minutes per individual with a maximum of ten minutes per side pro and con unless otherwise ordered by the council by a majority vote. The council retains the right to determine not to hear public testimony and may designate this best specified times on the agenda for public input. Mayor asked for input. Modrick wanted every person to be able to speak their three minutes. Lewis and Drew support ten total minutes for each side. Laween informed the council that unless they suspend the rules, the rules are going to be three minutes per speaker ten minutes per side unless there is a specific motion to suspend that rule and then the council should identify how they are suspending it. Mayor suggested that the same amount of minutes is given to both sides. Motion was made Roberts, second by Modrick and carried to suspend the rules and allow ten minutes per side to speak. The following individuals spoke against the resolution: Kwinn Neff, Crystal Hocking, Matthew Minnick, Mark Bowron, Larry Mann, and Darcey Baker. The following individuals spoke in favor of the resolution: Dr. Lilias Jarding, Rick Bell, Dr. Andrea Brickey, Justin Herreman, Jerry Munson and Dennis Yellow Thunder. Nancy Hilding asked to hand out the document to council that she had emailed them earlier.

Ordinances

Ordinance 6387 (LF012920-02) Regarding Supplemental Appropriation #1 for 2020. Motion was made by Lewis, second by Drury and carried that Ordinance 6387 be placed upon its first reading and the title was fully and distinctly read and second reading set for Tuesday, February 18, 2020.

Public Works Committee Items

PW011420-11: Appeal by Fisk Land Surveying & Consulting Engineers, Inc. of an Exception Request denial to waive/defer the requirement to pave proposed subdivision streets until a road district is created and funds accumulated. Motion was made by Modrick, second by Lewis to defer the requirement to pave proposed subdivision streets until a road district is created and funds accumulated. Fink indicated that she asked for a deferral but would like to change the request to be waived. In response to a question from Nordstrom, Fink stated the final plat would include the road district agreement. Fink said the landowners in the district would be responsible for the road district. The taxpayers of Rapid City will not be responsible. Tech explained the landowners are basically creating their own highway department for maintenance and paving the road. Only the road district can manage their road. Nordstrom, Evans and Drury spoke against the exception. Fink stated the lots have to be a 3-acre minimum. Modrick asked to change her motion to request to waive instead of defer, Roberts agreed. Motion carried 7-3 with Drury, Evans and Nordstrom voting no.

PW012820-16: Request from KTM Design Solutions, Inc., for a Variance to Waive the Requirement to Install Sidewalk per City Ordinance 12.08.060 C (see attachment 1) along Sweetbriar Street fronting the drainage lot that was recently included in the design of Avenue A. The Avenue A Project is currently under construction. Motion was made by Modrick, second by Lewis to waive sidewalk requirement along Sweetbriar Street. Nordstrom doesn’t want future taxpayers footing the bill for the sidewalk. Tech suggested if council wanted to waive the requirement to install the sidewalk at this time, the developer
should provide the city with the current value of the sidewalk and pay the city for future installation of that sidewalk. Sumption stated the funds would go into the license and trust fund and it would stay there until it’s built and the money would be moved to the fund that would pay for it. Substitute motion by Armstrong, second by Drury to approve the exception on the condition that the developer pays to the city’s license and trust fund the amount of the value of the sidewalk in today’s dollars. Roberts is in favor of the variance. He doesn’t believe a sidewalk will ever be put in at this location. Drury agrees that the developer should pay the city for the future install of the sidewalk. Modrick supports the sidewalk being waived. In response to a question from Armstrong, Tech said his suggestion was to not install the sidewalk and put the money in the bank so when Sweetbriar is reconstructed that sidewalk can be built. Drury is in favor of collecting the funds so there is less cost to the taxpayers when the sidewalk does get installed in the future. Motion carried 6 to 4 with Roberts, Lewis, Lehmann and Modrick voting no.

Legal & Finance Committee Items
LF012920-12 – Approve the Request from Lilias Jarding for City Council to Approve Draft Resolution 2020-011 Expressing Opposition to Gold Exploration in the Rapid Creek Watershed. Motion was made by Drew, second by Armstrong to approve the resolution. In response to a question from Drew, Bowron said that cyanide is used in some processes of gold recovery but not in every process of it. He speculated that sulphide ore would be present and cyanide would likely not be used. Brickey said cyanide is used in many industry processes not just the mining industry; it’s used all over and used safely. Bowron said that cyanide naturally breaks down in the environment; it breaks down very quickly; it breaks down into water and carbon. The danger of cyanide is when the pH changes in the solution and it off gases hydrogen cyanide gas. Nordstrom is concerned with contamination. Evans said he is not in favor of mining in the watershed. Drury believes that the Public Works department has an eye on the situation and doesn’t think the resolution is necessary. Modrick thinks we need to protect our water and the resolution should be approved. Drury said writing a letter of substance is better than a resolution. Strommen stated everyone wants clean water but he’s unsure if a resolution is necessary. Roberts believes people are making decisions on emotions rather than facts. Armstrong is in favor of the resolution and writing a letter. She believes the resolution sends a strong message that Rapid City does not want this project to happen. Motion was made by Lewis, second by Armstrong to continue for two weeks to reword the resolution. Motion failed 4 to 6 with Roberts, Strommen, Lewis and Drury voting in favor of continuing. Substitute motion was made by Roberts, second by Lehmann to table. Motion failed 4 to 6 with Lehmann, Drury, Roberts and Strommen voting to table. Motion to approve passed 6 to 4 with Roberts, Strommen, Lehmann and Drury voting no.

RESOLUTION NO. 2020-011
A RESOLUTION EXPRESSING OPPOSITION TO GOLD EXPLORATION IN THE RAPID CREEK WATERSHED

WHEREAS, Mineral Mountain Resources Ltd. and F3 Gold LLC have submitted applications to the U.S. Forest Service, Mystic District, to explore for gold in the Rapid Creek watershed; and

WHEREAS, Mineral Mountain Resourced Ltd. is drilling for gold in the area near Rochford, SD, and Pe’ Sla; and

WHEREAS, gold exploration could lead to gold mining, which involves the use of cyanide and other toxins and often leads to permanent acid mine drainage, which could go into Rapid Creek; and

WHEREAS, the Rapid Creek watershed and its connected aquifers are the sources for Rapid City’s water supply; and

WHEREAS, the Rapid Creek watershed, including Pactola Reservoir, is a major recreation and tourism area, supporting Rapid City’s economy; and
WHEREAS, maintaining the quality and quantity of the water supply is of utmost importance to the City and to Ellsworth Air Force Base; and

WHEREAS, comments on the F3 Gold LLC project are due to the U.S. Forest Service, Mystic District, by February 5, 2020; and

WHEREAS, the Common Council of the City of Rapid City believes that gold exploration in the Rapid Creek watershed poses an unacceptable risk to the source of Rapid City’s drinking water.

NOW THEREFORE, BE IT RESOLVED, by the City of Rapid City that due to the potential risk to the Rapid Creek watershed, the City’s water supply, and the local economy the City expresses opposition to gold exploration and potential gold mining in the Rapid Creek watershed.
