Approval of minutes from previous meeting

Old Business:

Bylaw and Ordinance update. This is continued review and discussion. No action will be taken at this meeting, per current bylaws.

New Business:

The system the City uses to issue licenses was recently upgraded to a web-based version. It is currently not functioning as intended so we are unable to issue new licenses and are working to fix it. This is an informational item only. No action is required from you.

Approve New Licenses:

- Contractor applications: Acknowledge email approval
- Sewer Water: Jason Schuelke, APEX Construction
- Trenching: Chris Garrigan, Tru-Form; Tim Birmeier, Tru-Form; Daniel Ellefson, Western Dakota Excavating; Gary Bruckelmeyer, Bajer Underground
- Installer applications: Acknowledge email approval
- Sewer Water Installer: Matt Schoonover, Heavy Constructors
