Re: Renewal of Security Agreement

Motion: Move to approve the first renewal of the agreement between the Rapid City Public Library and Securitas Security Services USA, Inc.

Background: Securitas is the company that has provided security at the library since April of 2018.

Per the Terms of the Agreement in the current contract, we may renew the agreement for a one-year term upon execution of a written renewal signed by both parties. The agreement may be renewed for a maximum of two one-year renewal terms.

As the security services, communication and responses to issues from Securitas have been appropriate, the library recommends that this contract be renewed for the first of these two terms.
