Re: Septic permit appeal

Dear Mr. Schamber,

I am writing to notify you that the Public Works Committee will hear your appeal on May 10, 2016 at 12:30pm in the Council Chambers, located in the City and School Administration Building at 300 Sixth Street, Rapid City. Your appeal will be listed on the agenda under "Items from the Public," and at the appropriate time, you will be given an opportunity to explain your position. Committee members may engage in discussion, and they may also ask questions of you and/or city staff.

The Public Works Committee does not make a final decision; they simply make a recommendation on the matter to the full City Council. The Council will then make a final determination on the matter.

If you have any questions about this appeals procedure, feel free to call me at 605-394-4154.

Sincerely,

Dale Tech
Public Works Director
