Introduction

At TC Energy, building strong communities where we live, work and operate is important to all of us.

Whether it's partnering with community groups, supporting local causes or encouraging our employees to get involved in local improvements, the goal is to build strong and vibrant communities across North America. Our Build Strong program provides valuable tools and resources to first responders, helps fund educational programs, supports important community needs, and strengthens environmental stewardship and sustainability through local and regional investments.

Before Applying

For TC Energy, community investment is a voluntary contribution on behalf of the company in support of a non-profit, registered charity, association or foundation that generates clear and demonstrable value to communities.

Please take the time to visit our website to learn more about our focus areas and funding criteria.

Application

- Before applying, we require that all organizations answer our pre-qualification questions to ensure alignment to our basic criteria.
- If your organization pre-qualifies, the online application will take approximately twenty (20) minutes to complete, depending on the scope of your initiative.
- By clicking 'Next' you can save each page and return to edit those pages before your submission. Once your application is submitted, you will not be able to edit it. Do not close your browser window before submitting or you will lose your work.
- All fields marked with an asterisk (*) must be completed.
- We require a fully completed W-9 form, dated and signed within the last year, to consider your request. Any requests that do not have a valid W-9 attached will be declined. You can download a blank W-9 form HERE and attach a completed version at the end of the application, along with any other supporting documentation you have.
- Before submitting your request, you may print a copy of your application for your records by clicking 'Printable Form' at the top right of this screen. You cannot access your application for printing once it has been submitted to TC Energy.
Timing

Upon submission of your application, you will receive an email from TC Energy indicating that your application has been received. Please check your junk folder if you do not receive the e-mail once you have completed the application. To ensure proper consideration, we require six (6) to ten (10) weeks to review an application and respond to the applicant.

Confidentiality

All information collected will be used to assess your application and will be kept strictly confidential.

Help

For technical assistance, please contact our application service provider at service@sponsor.com.

For additional inquiries, please contact community_investment@tcenergy.com.

* City

* State

* ZIP

* Organization phone number

Organization website

*Employer Identification Number
Required format: XX-XXXXXXX
(dash required)

* Please indicate the amount ($) requested:
At TC Energy, we concentrate our community investment efforts in four focus areas: safety, education, environment and community.

- **Safety**: Initiative is safety focused, promoting things like emergency preparedness and response, accident prevention, or safety education and training.
- **Education**: Initiatives that support early childhood or adult skills development in an effort to build community capacity, develop the next generation of leaders and/or provide a skill workforce for the energy industry.
- **Environment**: Initiatives that help to conserve important habitat, protect species at risk, or educate individuals about the importance of the environment.
- **Community**: Initiative is focused on supporting community/cultural events, local support services, civic enhancements or youth recreation and/or leadership programs.

Based on the definitions above, which of TC Energy’s focus areas does your initiative best support?

Safety
Community
Environment
Education

What is the geographic scope of your initiative?

Local
State
National

**Summary of Initiative**

Please describe your event or initiative and request for funding. If you require more than 250 words, please submit a separate attachment at the end of this survey.
Please provide a budget breakdown for your initiative, and how your organization plans to spend the requested funds. Please break the costs down into categories, amounts and quantity.
