RE: SDCL 1-19A-11.1 Consultation
Project: 200811002S – John and Mary Newland - 1015 Columbus Street – Replace Siding
Location: Pennington County
(CORC)

Dear Ms. Brennan:

Thank you for the opportunity to comment on the above referenced project pursuant to SDCL 1-19A-11.1. The South Dakota Office of the State Historic Preservation Officer (SHPO) would like to provide the following comments concerning effect of the proposed project on the non-renewable cultural resources of South Dakota.

On August 11, 2020, the SHPO received notification of the above-referenced project to replace the siding on the west side of the home at 1015 Columbus street in Rapid City. This home is a contributing resource in the West Boulevard Historic District (WBHD), which is listed in the National Register of Historic Places. SDCL 1-19A-11.1 outlines a specific process that must be followed prior to any governmental action that may harm any historic property that is included in the National or State Registers of Historic Places.

Based on the information provided, the SHPO has made the following determination. The replacement of wood siding with Hardiplank will encroach upon, damage, or destroy a historic property which is included in the National and State Registers of Historic Places; however, based upon the information submitted, it appears that there are no feasible and prudent alternatives to the proposal and that the proposal includes all possible planning to minimize harm to the historic resource.

As you take these comments into consideration, please remember that under State law our office only provides comments and recommendations pertaining to preservation standards, and the City of Rapid City will determine whether to issue the necessary permits for this project. Their decision is based on consideration of all feasible and prudent alternatives, including economic practicability, and whether the proposal contains planning to minimize harm to the historic property. If the City proceeds with the issuance of the permits, then ten days' notice to our office by certified mail is required along with a record of factors considered in making this decision for our files.
Should you require any additional information, please contact Heather Mulliner at (605) 773-6005.

Sincerely,

Jay D. Vogt  
State Historic Preservation Officer
