Applications must be submitted to the Community Planning & Development Services Department. All required information must be submitted with the application. Incomplete applications will not be processed. You may be requested to submit some information digitally. Historic reviews begin with an administrative review. Many historic reviews do not require public meetings.

If your application does not require review by the Historic Preservation Commission, their meetings are typically held on the 3rd floor in the West Community Room of the City/School Administration Building, 300 6th Street, at 8:00 a.m. the 2nd and 4th Wednesdays of each month. All application materials must be received by 4:00, at least 12 days in advance of the meeting. A representative must be present. If your application also requires approval by the City Council, staff will provide you with an anticipated meeting timeline.
