I would like to serve in the indicated position(s) because::

I believe with my 42 years work experience, and the variety of occupations I have worked in the U.S. Navy and here in Rapid City, SD I have a lot to offer any organization. My life's work has been what can I do to contribute to my community where I may be. Because I have military experience, and have put three children through public and private schools here in the city, I have kept up with the interest of our youth.
