City Council
Steve Allender, Mayor
and
Pauline Sumption
City of Rapid City
300 Sixth Street
Rapid City, SD 57701

Dear City Council:

We are pleased to confirm our understanding of the services we are to provide for **City of Rapid City** (the City) for the year ended December 31, 2020.

We will audit the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component unit, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the entity's basic financial statements as of and for the year end stated above. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by accounting principles generally accepted in the United States of America (U.S. GAAP) and will be subjected to certain limited procedures, but will not be audited:

1. Management's Discussion and Analysis
2. Budgetary Comparison Schedules
3. Schedule of the City's Proportionate Share of the Net Pension Asset (Liability)
4. Schedule of the City Contributions
5. Other Post-Employment Benefits Schedule of Funding Progress

We have also been engaged to report on supplementary information other than RSI that accompanies the City's financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and we will provide an opinion on it in relation to the financial statements as a whole, in a report combined with our auditor's report on the financial statements:

1. Schedule of Expenditures of Federal Awards
2. Combining Statements

Audit Objectives

The objective of our audit is the expression of opinions as to whether the financial statements are fairly presented, in all material respects, in conformity with U.S GAAP and to report on the fairness of the supplementary information referred to above when considered in relation to the financial statements as a whole. The objective also includes reporting on:

- Internal control over financial reporting and compliance with the provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*.
- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance).

The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major programs in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. We will issue written reports upon completion of our single audit. Our reports will be addressed to City Council. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If circumstances occur related to the condition of your records, the availability of sufficient, appropriate audit evidence, or the existence of a significant risk of material misstatement of the financial statements caused by error, fraudulent financial reporting, or misappropriation of assets, which in our professional judgment prevent us from completing the audit or forming an opinion on the financial statements, we retain the right to take any course of action permitted by professional standards, including declining to express an opinion or issue a report, or withdrawing from the engagement.

Audit Procedures - General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the City or to acts by management or employees acting on behalf of the City. Because the determination of waste and abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in financial audits nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, an unavoidable risk exists that some material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the reports required for a single audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories and direct confirmation of certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We may request written representations from your attorneys as part of the engagement, and they may bill you for responding to this inquiry. At the conclusion of our audit, we will also require certain written representations from you about your responsibilities for the financial statements; Schedule of Expenditures of Federal Awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures – Internal Controls

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls, and accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, *Government Auditing Standards*, and the Uniform Guidance.

Audit Procedures - Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of your compliance with provisions of applicable laws, regulations, contracts and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance, and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the *OMB Compliance Supplement* for the types of compliance requirements that could have a direct and material effect on each of the City's major programs. For federal programs that are included in the 2019/2020 Compliance Supplement, our compliance and internal control procedures will relate to the compliance requirements that the 2019/2020 Compliance Supplement identifies as being subject to audit. The purpose of these procedures will be to express an opinion on your compliance with requirements applicable to each of your major programs in our report on compliance issued pursuant to the Uniform Guidance.

Other Services

We will assist in preparing the data collection form of the City in conformity with Uniform Guidance based on information provided by you. At the present time, no other non-audit services are provided by Ketel Thorstenson, LLP and its affiliates.

These non-audit services do not constitute an audit under *Government Auditing Standards* and such services will not be conducted in accordance with *Government Auditing Standards*.

We will perform the services in accordance with applicable professional standards. We, in our sole professional judgment, reserve the right to refuse to perform any procedures or take any action that could be construed as assuming management responsibilities.

Management Responsibilities

Management is responsible for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, and for internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, SEFA, and all accompanying information in conformity with U.S. GAAP; and for compliance with applicable laws and regulations (including federal statutes), and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

Management is also responsible for making all financial records and related information available to us, and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, including identification of all related parties and all related-party relationships and transactions, (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance, (3) additional information that we may request for the purpose of the audit, and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements of each opinion unit as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the City involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the City received in communications from employees, former employees, grantors, regulators, or others. In addition, you are responsible for identifying and ensuring that the entity complies with applicable laws, regulations, contracts, agreements, and grants. Management is also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified, including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review at the beginning of field work.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements, and for preparation of the SEFA (including notes and non-cash assistance received) in conformity with the Uniform Guidance. You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. GAAP. You agree to include our report on the SEFA and other supplementary information in any document that contains, and indicates that we have reported on, such information. You also agree to include the audited financial statements with any presentation of the SEFA or other supplementary information that includes our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the SEFA in accordance with the Uniform Guidance and other supplementary information in accordance with GAAP; (2) you believe the SEFA and other supplementary information, including its form and content, are fairly presented in accordance with the Uniform Guidance and GAAP, respectively; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the SEFA or other supplementary information.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits or other engagements. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions for the report, and for the timing and format for providing that information.

You agree to assume all management responsibilities for the data collection form preparation services, and any other non-audit services we provide (see Other Services paragraph above). You will be required to acknowledge in the management representation letter the services provided and that you have evaluated the adequacy of our services and have reviewed and approved the results of the services and have accepted responsibility for them. Further, you agree to oversee all of the non-audit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of the services; and accept responsibility for them.

Engagement Administration, Fees, and Other

Traci Hanson is the engagement partner and is responsible for supervising the engagement and signing the report or authorizing another individual to sign it. We expect to begin our audit in June 2021 and to issue our reports no later than September 24, 2021. See additional timeline details in Attachment A. You may expect a senior staff and assistant auditors from our firm to be present in your office during the course of our field work. To promote continuity, we will make every reasonable effort to assign the same audit personnel from previous years to the current audit.

We understand that your employees will prepare all confirmations we request and will locate any documents selected by us for testing. We will schedule the engagement based in part on deadlines, working conditions, and the availability of key personnel. We will plan the engagement based on the assumption that your personnel will cooperate and provide assistance by performing tasks such as preparing requested schedules, retrieving supporting documents, and preparing confirmations. If, for whatever reason, your personnel are unavailable to provide the necessary assistance in a timely manner, it may substantially increase the work we have to do to complete the engagement within the established deadlines, resulting in an increase in fees in our original fee estimate.

In connection with this engagement, we may communicate with you or others via email transmission. As emails can be intercepted and read, disclosed, or otherwise used or communicated by an unintended third party, or may not be delivered to each of the parties to whom they are directed and only to such parties, we cannot guarantee or warrant that emails from us will be properly delivered and read only by the addressee. Therefore, we specifically disclaim and waive any liability or responsibility whatsoever for interception or unintentional disclosure of emails transmitted by us in connection with the performance of this engagement. In that regard, you agree that we shall have no liability for any loss or damage to any person or entity resulting from the use of email transmissions, including any consequential, incidental, direct, indirect, or special damages, such as loss of revenues or anticipated profits, or disclosure or communication of confidential or proprietary information.

At the conclusion of the engagement, we will complete the appropriate sections of and sign the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, SEFA, summary schedule of prior audit findings, auditors' reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditors' reports or nine months after the end of the audit period.

We will provide copies of our reports to the City; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

We are not hosts for any client information. You are expected to retain all financial and non-financial information, to include anything you upload to a portal, and are responsible for downloading and retaining anything we upload in a timely manner. Portals are only meant as a method of transferring data, and are not intended for the storage of client information, and may be deleted at any time. You are expected to maintain control over your accounting systems, to include the licensing of applications and the hosting of said applications and data. We do not provide electronic security or back-up services for any of your data or records. Giving us access to your accounting system does not make us hosts of information contained within.

In the interest of enhancing our availability to meet your professional service needs while maintaining service quality and timeliness, we may use a third-party service provider to assist us. This may include provision of your confidential information to the third-party service provider. We require our third-party service providers to have established procedures and controls designed to protect client confidentiality and maintain data security. As the paid provider of professional services, our firm remains responsible for exercising reasonable care in providing such services, and our work product will be subjected to our firm's customary quality control procedures. By accepting the terms and conditions of our engagement, you are providing your consent and authorization to disclose your confidential information to a third-party service provider, if such disclosure is necessary to deliver professional services or provide support services to our firm.

If you intend to publish or otherwise reproduce the financial statements and our report thereon, they must be reproduced in their entirety. Inclusion of the audited financial statements in any document should be done only with our prior approval of the document. You are responsible for providing us the opportunity to review such document before issuance. With regard to electronic dissemination of audited financial statements, including financial statements published electronically on your website, you understand that electronic sites are a means of distributing information and, therefore, we are not required to read the information contained in those sites or to consider the consistency of other information in the electronic site with the original document.

The audit documentation for this engagement is the property of Ketel Thorstenson, LLP, and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to an oversight or grantor agency or its designee, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of our audit personnel. Furthermore, upon request, we may provide copies of selected audit documentation to these parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of seven years after the report release date or for any additional period requested by your oversight or grantor agency. If we are aware that an audit finding is being contested, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

Our professional fees for the services outlined above will be \$62,000 for the audit. The fee includes one major federal program. Additional major federal programs will be an additional \$2,900 per program. The fees are based on the complexity of the work to be performed, and our professional time. In addition, this fee depends upon the timely delivery, availability, quality, and completeness of the information you provide to us. If significant additional time is necessary, we will keep you informed of any problems we encounter and our fees will be adjusted accordingly. You agree that you will deliver all records requested and respond to all inquiries made by our staff to complete this engagement on a timely basis. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 60 days or more overdue and will not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed, even if we have not issued our report. You will be obligated to compensate us for all time expended and to reimburse us for all out-of-pocket costs through the date of termination. At completion of the engagement, we will submit a final invoice which is due upon receipt.

Our audit engagement ends on delivery of our audit report. You may request that we perform additional services not addressed in this engagement letter. If this occurs, we will communicate with you concerning the scope of the additional services and their estimated fees. We may also issue a separate engagement letter covering the additional services. In the absence of any other written communication from us documenting such additional services, our services will continue to be governed by the terms of this engagement letter.

In the event we are requested pursuant to subpoena or other legal process to produce documents relating to current or prior engagements for the City in legal, administrative, arbitration, or similar proceedings to which we are not a party, the City shall reimburse us at standard billing rates for our professional time and expenses, including reasonable attorney's fees incurred by us in responding to such requests. In the event of a dispute, the courts of the state of South Dakota shall have jurisdiction, and all disputes will be submitted to the state of South Dakota, which is the proper and most convenient venue for resolution. We also agree that the law of the state of South Dakota shall govern all such disputes.

We are independent within the meaning of the AICPA *Code of Professional Conduct*.

In the event you should desire to hire an accountant to have on staff, we may assist you in that process. We do require, however, that no such inquiry be made directly to our staff, but only to the engagement partner. To ensure our independence is not impaired under the AICPA *Code of Professional Conduct*, you agree to inform the engagement partner before entering into any substantive employment discussions with any of our personnel. If you should choose to hire one of our employees, we may, at our discretion, charge you a recruiting fee of twenty percent of the annual salary offered to our employee to compensate us for the loss of our valued and extensively trained employee.

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report, and any subsequent peer review reports received during the period of the contract, when requested by you. Our September 27, 2019, peer review report accompanies this letter.

We understand that our services are subject to advance approval by the Auditor General. Such approval should be requested by you directly to the Auditor General.

We appreciate the opportunity to be of service to you and believe this letter accurately summarizes the significant terms of our engagement. Please sign one copy of this letter in the space provided to indicate your acknowledgement of, and agreement with, the arrangements for our engagement to prepare the financial statements described herein and to perform an audit with respect to those same financial statements, and our respective responsibilities.

Sincerely,

KETEL THORSTENSON, LLP

Traci M. Hanson, CPA
Partner

This letter correctly sets forth our understanding of our contract. I have read it and fully understand its terms and provisions.

Approved:

Mayor or Council President

Date

Finance Officer

Date

The projected 2020 audit timeline is as follows:

1. Conduct year-end inventory observation either in person or by proxy in December 2020.
2. On-site planning meeting during March 2021 with audit partner, audit director, audit manager, Pauline Sumption, Tracy Davis and Dave Yuhas. Prepared by client list and audit preferred schedules will be presented and discussed. Audit firm will submit resumes for all engagement staff during the meeting.
3. Audit partner/audit manager to attend a department directors meeting prior to fieldwork to discuss 2020 audit, department involvement and answer questions.
4. In April or May 2021, auditor will complete on-site interviews with applicable staff to document internal controls and processes.
5. The City will provide an adjusted trial balance by June 11, 2021.
6. All audit staff will be on-site for fieldwork beginning no later than June 14, 2021 and completed no later than July 30, 2021. Upon completion of on-site fieldwork, inquiries via email will be limited and used as alternative method when face-to-face option is not available.
7. The City will submit preliminary draft financial statements and applicable note disclosures to auditor no later than July 23, 2021.
8. Audit issues/findings and adjustments will be communicated to City management during course of fieldwork.
9. A revised draft reflecting adjustments noted during course of audit will be submitted to auditor by August 13, 2021.
10. Auditor will schedule exit conference and provide City management with summary of audit results and audit findings (if any) by August 13, 2021.
11. Auditor will review revised draft to ensure adjustments are properly reflected and complete quality control review by August 20, 2021.
12. The City will complete any final modifications to the financial statement from the auditor's review of the revised draft by August 27, 2021.
13. Auditor will have final draft available by August 31, 2021.
14. Audit partner will present the City's 2020 financial and compliance report at the City Council meeting on September 7, 2021.
15. The City's 2020 financial and compliance report will be submitted to Federal Clearing House no later than September 24, 2021.

Report on the Firm's System of Quality Control

To the Partners of Ketel Thorstenson, LLP
and the Peer Review Committee of the Oklahoma Society of CPAs

We have reviewed the system of quality control for the accounting and auditing practice of Ketel Thorstenson, LLP (the Firm) in effect for the year ended March 31, 2019. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The Firm is responsible for designing a system of quality control and complying with it to provide the Firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The Firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the Firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including a compliance audit under the Single Audit Act; and audits of employee benefit plans.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the Firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Ketel Thorstenson, LLP in effect for the year ended March 31, 2019, has been suitably designed and complied with to provide the Firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)*, or *fail*. Ketel Thorstenson, LLP has received a peer review rating of *pass*.
