Motion was made by Armstrong, second by Salamun and carried to approve Ordinance 6448 and that it be placed upon its first reading and the title was fully and distinctly read and second reading set for Monday, November 2, 2020.

Legal & Finance Committee Items
Mayor Allender read in item (LF101420-09) Approve Resolution No. 2020-080 A Resolution Creating A Trial Program for Conduct of Official City Business by Combining the City’s Current Public Works and Legal and Finance Committee Meetings Into a Joint Council Working Session. Nordstrom stated he doesn’t like the language in the resolution and thinks it needs to be revised. Salamun said he’s not really concerned about the resolution, more concerned about the memo. He doesn’t want to take a step back in openness. In response to a question from Salamun, Landeen explained that a quasi-judicial hearing entitles the applicant to due process. Landeen gave suggestions on how to handle the due process items. He said council might want to move all due process items straight to the council meeting. Salamun said he likes the idea of saving staff time and hearing more from the directors. He wants to make sure the meetings are open to the public. Armstrong said that this resolution would allow council to go from three or four meetings into one. She said she started talking to the directors almost two years ago, so there has been a lot of thought into this. She said she is in favor of the public showing up. She wants the meeting to be in a conference room. She wants this to be like a big agenda review meeting. She doesn’t want to feel like the city has to film everything to cover themselves. She indicated the original start date was proposed to be November 11, but that is Veteran’s Day and city offices are closed that day. She proposes the first meeting be scheduled for Tuesday, November 10, 2020 at 12:30 p.m. and going forward the off weeks of Wednesday at 12:30 p.m. Drew said she is not in favor of this but realizes how much work has gone into it and feels like she needs to give it a chance. She would like to have it in chambers and for it to be filmed. She is concerned with quorums gathering, since those aren’t allowed. Evans is in favor of combining the committees but is concerned with the amount of research that goes into each item. He realizes most people have jobs and some of these issues take time away from home. He thinks members should have assignments so that each member does some background work. He said he is in favor of recording and thinks public comment should be saved for the council meeting. Armstrong said other states like Colorado and Utah already do their meetings this way. Landeen said the trial period is for a year, however, if the council agreed to cut it short they could. Landeen said some views against taping would be that people hold back when they are being taped and they don’t have as much dialogue. He said with COVID it would be nice to have it taped since people have to socially distance themselves. He stated that the Airport Board does record their meetings on audio, not visually, so if someone wants to hear the meeting they can. Nordstrom said videotaping doesn’t take place during council working sessions. Mayor Allender stated that the biggest risk with this is just overthinking it. The committee meetings were formed to prepare the council members on the items. The two meetings are not required by law, they were adopted by the city in the 1970’s. He indicated that they are not passing a law and they are not bound to anything in the resolution. It can be changed if they don’t like it. Motion was made by Armstrong, second by Lehmann to approve. Motion carried 7-1 with Salamun voting no.

RESOLUTION NO. 2020-080
A RESOLUTION CREATING A TRIAL PROGRAM FOR CONDUCT OF OFFICIAL CITY BUSINESS BY COMBINING THE CITY’S CURRENT PUBLIC WORKS AND LEGAL AND FINANCE COMMITTEE MEETINGS INTO A JOINT COUNCIL WORKING SESSION.

WHEREAS, the City of Rapid City (the “City”) currently has two standing committees which review and make recommendations for items of City business before they are debated and acted on by the City Council; and
WHEREAS, half the City’s alderman serve on each committee which both meet the week before a City Council meeting; and

WHEREAS, the intent of the committees is to provide an opportunity for alderman to ask questions and generally educate themselves on issues coming before the City Council at its regularly scheduled meeting, and

WHEREAS, other communities conduct similar work through a committee of the entire body, or through regularly scheduled working sessions; and

WHEREAS, the purpose of working sessions is for alderman to educate themselves on issues, have more in-depth discussions on policy and important projects, and decide what issues should move forward to the regular meeting of the City Council for formal action; and

WHEREAS, the City Council believes it would be in the City’s best interests to implement a trial program where instead of City business being initially discussed in two separate committees composed of only half of the alderman, that the responsibilities of the two committees be combined into a working session comprising a committee of the entire City Council; and

WHEREAS, some of the advantages of a working session consisting of the entire City Council are that it would require fewer meetings for the elected officials and staff, and would allow the entire City Council to weigh in and vet important issues in the preliminary stages of discussion, rather than rely on only half of the City Council to do so; and

WHEREAS, even though the working sessions will have a quorum of the City Council present, the purpose of these meetings will be education and discussion of the City Council and no formal action will be taken on any item other than to make recommendations or give direction to City staff, or determine what matters being considered are ready to be sent to the regular City Council meeting for final debate and approval or denial; and

WHEREAS, the working sessions covered by this resolution are public meetings and subject to the state’s open meeting laws.

NOW THEREFORE, BE IT RESOLVED, by the City of Rapid City, that the current Legal & Finance and Public Works Committees be combined into a committee of the whole whose meetings will be designated as working sessions. The purpose of these meetings will be to allow in-depth discussion on City policies and items of regular business prior to final consideration and approval at a regular meeting of the City Council and to give direction and make recommendations to staff regarding City business. No formal or final action will be taken on any item other than to make recommendations or give direction to City staff, or send a matter being considered to the regular City Council meeting for final debate and approval. While no formal action will be taken on any item on the agenda of a working session, this will not prohibit the City Council from setting a special meeting that is contemporaneous with the working session at which formal action can be taken on a matter before the City Council. Such special meeting shall be set consistent with state law for the setting of such meetings and noticed separately from any notice provided for the working session.

BE IT FURTHER RESOLVED, that any reference in City ordinance, resolution, or policy that directs that an item be considered by the City’s current Legal & Finance or Public Works Committees will be sent to a working session for review and consideration in lieu of review by one of the current committees.

BE IT FURTHER RESOLVED, that at least one working session shall be held prior to all regularly scheduled meetings of the City Council at a time and place determined by the City Council. Working
Sessions are public meetings and the time and place of the working session, along with a proposed agenda, will be properly noticed in compliance with state law.

BE IT FURTHER RESOLVED, that The City Council may develop and adopt rules and procedures for the conduct of these meetings and the form of the agenda.

BE IT FURTHER RESOLVED, that it is intended that this change be a trial program which will be reviewed occasionally to determine if it will continue. While the City Council can end these changes at any time, if no formal action is taken within a year, the Council shall review the program and shall determine whether to end the use of work sessions and go back to the previous committee structure or some modified form thereof, continue the current trial program for another specified term, or direct that staff bring forward the appropriate ordinance and policy changes to make the committee structure created by this resolution permanent.
