MEMORANDUM

TO: Council Workgroup

FROM: Kelly Brennan, Planner II

DATE: December 2, 2020

RE: 20TP007 – Transit Development Plan Request for Proposals

Staff requests City Council authorization to advertise a request for proposals from qualified consultants to prepare a Transit Development Plan. The last update to the Transit Development plan was in 2009.

The Transit Development Plan will identify, evaluate, and made recommendations to maintain, improve, and potentially expand transit services in Rapid City. The plan will also include a 10-year capital asset plan that will include schedules and costs for replacement, expansion, and introduction of new technologies.

Recommendation: Authorize staff to advertise a Request for Proposals to update the Transit Development Plan, with minor language modifications as necessary.
