AGREEMENT

THIS AGREEMENT, is made and entered into as of the first day of January, 2014 by and between the City of Rapid City, a municipal corporation of the State of South Dakota, hereinafter referred to as the “City,” “Employer,” or “Management” and the International Association of Firefighters Local 1040, hereinafter referred to as the “Union” or “Bargaining Unit.”

ARTICLE ONE
RECOGNITION

1.01 The City hereby recognizes the Union as the sole collective bargaining representative, pursuant to SDCL 3-18-3 and 5, for all of the employees employed by the City in the following described unit.

1.02 All full-time Fire Department employees, excluding the Chief, Assistant Chiefs, Battalion Chiefs, Patient Billing Services Coordinator, Captains, Office and Clerical, and Fire Maintenance Supervisor.

1.03 The Union recognizes the responsibility assumed by it as the formal representative of all employees in the Bargaining Unit. As part of this responsibility, it pledges the full cooperation of its members to maintain continuous service to the public; to perform efficient work; and to protect the property and interests of the City; and will cooperate with the City in promoting the welfare of its citizens.

1.04 Non-discrimination. There shall be no discrimination against employees or applicants for employment or advancement on account of age, race, creed, color, religion, national origin, sex, disabilities, or any political or Union affiliation.

ARTICLE TWO
CITY RIGHTS

2.01 The City reserves the right to operate and manage its affairs in all respects in accordance with its responsibility and the powers or authority which the City has not officially abridged, delegated, or modified by this contract, and such powers and authority are retained by the City.

2.02 These management rights include, but are not limited to, the following:

A. To utilize personnel, methods, and means of operation in the most efficient manner possible as deemed appropriate by management; to manage and direct the employees of the City; to hire, schedule, promote, transfer, demote, assign, train, or re-train employees in positions within the Fire Department; to suspend, discharge, discipline or otherwise take appropriate action with respect to the City’s employees;
B. To determine the size and composition of the work force; to eliminate or discontinue any job classification; and to lay off employees for lack of work or lack of appropriated funds;

C. To determine the mission of the City and the method and means necessary to efficiently fulfill that mission, including the transfer, alteration, curtailment, or discontinuance of any goods or services; the establishment of reasonable standards of job performance; the purchase and utilization of equipment; and the utilization of seasonal and part-time employees;

D. To provide standards and rules for employees;

E. To determine the need and appropriateness of contracting or subcontracting with respect to City services.

F. To subcontract work currently performed by employees.

G. It is the policy of the Department to regularly assign no less than three personnel to an engine or truck company. The normal compliment of personnel on an engine or truck company is four personnel, comprised of one officer and three firefighters. However, due to annual leave, Kelly days, sick leave, education leave, etc., manpower levels will not always be adequate to achieve four-man companies.

H. **Authority to Effect Personnel Actions.** Authority to appoint, promote, transfer, demote, suspend, and separate personnel shall be vested in the Fire Chief or his designee.

I. **Reduction in Force.** If it is necessary to reduce personnel, the selection of employees to be retained shall be based upon Article Twenty-Four.

2.03 To the extent that the above rights are specifically limited by the provisions of this Agreement, alleged violations are subject to the grievance procedure.

**ARTICLE THREE**

**DISCIPLINE AND DISCHARGE**

3.01 **Disciplinary Action.** The City has the right to impose discipline upon employees for violations of the City’s work rules, or for conduct that is detrimental to the Department or the City. The City shall only impose discipline for cause. Discipline may include discharge of an employee.

3.02 Whenever the work habits, attitude, production, or personal conduct of an employee falls below an acceptable standard, or infractions of regulations, standard operating procedures or work rules are observed, supervisors should point out the deficiencies at such time.
The Fire Chief or his designee may take any one or a combination of the following disciplinary measures, as appropriate, for just and reasonable cause:

1. Oral reprimand;
2. Written reprimand;
3. Suspension without pay;
4. Demotion;
5. Dismissal.

3.03 When disciplinary action is taken by the Fire Chief or his designee, all matters pertaining to the action shall be filed in the employee’s personnel record, with a copy given to the employee and the Union;

3.04 Normally, suspension may be for a period not to exceed thirty (30) consecutive calendar days without pay and entitlements. An employee under suspension will not be permitted to exchange suspension for any paid leave, or accrue the same.

ARTICLE FOUR
CONDUCT OF UNION AFFAIRS

4.01 Union Officials. The City recognizes the right of the Bargaining Unit to designate Union officials. The Union officials shall include the officers of the Union as well as the executive board members. The authority of Union officials so designated shall be limited to, and shall not exceed the following duties and activities:

A. The investigation and presentation of grievances to the City, or the designated City representative in accordance with the provisions of this Agreement.

B. The transmission of such messages and information which shall originate with, and are authorized by the Union, provided such message or information has been reduced to writing or is of a routine nature.

4.02 Union officials shall be permitted reasonable time to investigate, present, and process grievances during working hours, without loss of time or pay, provided there is not unreasonable interference with their duties; however, the Union officials shall, if possible, do this during standby time and not leave their assigned station, and shall in every case secure the approval of the Chief or the Chief’s designee.

4.03 Business Agents. Authorized agents of the Union, after having notified, and having received permission from the Fire Chief or his designee, shall have access to the City’s establishment, and be allowed to visit and converse with employees during regular on-duty hours, for the purpose of adjusting disputes, investigating work conditions, and ascertaining that the Agreement is being adhered to; provided, however, that there is no interruption of the City’s working schedule, and shall, if possible conduct this activity during standby duty time.
4.04 **Electronic Bulletin Board.** The City shall provide an electronic bulletin board for use by the Union and linked to the Department’s Intranet site or other similar medium acceptable to the Union. Requests for additions or changes must be presented by a union officer and approved by the Fire Chief or the Chief’s designee. In the use of the bulletin board, the Union shall abide by the City’s Internet policy.

ARTICLE FIVE
WAGES AND RATES OF PAY

5.01 Pay rates for the term of this contract shall be as expressed in Appendix “A” and shall be considered the minimum pay, except as herein provided.

5.02 Whenever the City shall combine job classifications, change job classifications, or establish new job classifications, it shall put such changes into effect. In the event the Union disagrees with the rate or rates so established, said rate shall be subject to the grievance procedure.

5.03 Pursuant to inherent management rights, the employee may be required to perform any other job from time to time as directed by a supervisor or officer. An employee may be temporarily assigned to work in a lower paid classification, but without reduction in pay.

5.04 A Journeyman Firefighter Medic, temporarily assigned to work as an Acting Company Officer, will be paid an additional payment per hour equivalent to 7.5% of Grade 16, Step F, except in the case of a temporary or emergency assignment for not over (4) consecutive hours in any one day.

A. The Fire Chief or Shift Commander may verbally appoint an Acting Company Officer for an entire 24-hour shift, or may appoint a Journeyman Firefighter Medic as Acting Company Officer to serve within the specified portion of a 24-hour shift;

B. Assignments of an Acting Company Officer will normally be made from among those Firefighters who have expressed an interest in the same, with preference going to those who are currently on the eligibility list for promotional consideration;

5.05 An employee assigned as a Field Training Officer will receive the same rate of pay as an Acting Company Officer.

ARTICLE SIX
AIRPORT ASSIGNMENT

Employees at the airport may be assigned non-traditional duties necessary to facilitate public safety. Employees shall work approximately four hours per day per employee in these
assigned duties. Such non-traditional duties must be agreed to by the Fire Chief and the Airport Director. Although assigned to non-traditional duties, employees shall report and take orders directly from the Fire Chief or his designee through the normal chain of command. All employees who work at the Airport shall be required to meet all of the obligations of holders of Secure Identification Display Area (SIDA) badge. Employees' assigned non-traditional duties shall be appropriately trained. In addition, the Department shall develop Standard Operating Procedures (SOP) through the Department's normal process to identify specific duties.

ARTICLE SEVEN
PROBATION, PROMOTION AND HOURS OF WORK

7.01 Probation Period.

A. All newly hired employees shall be probationary employees for the first year.

B. The Fire Chief shall have the discretionary authority to waive all or part of the probation period.

C. During the first ninety (90) calendar days of employment the employee shall not be eligible for any paid leave, including holiday, Kelly Day, annual leave, or sick leave.

D. Probationary Employees. For performance purposes, all newly hired employees shall be probationary employees for a period of one (1) year. During the probationary period, the employee shall have no seniority status, and may be laid off or terminated at the sole discretion of the City with, or without just cause. Upon satisfactory completion of the employee's probationary period, seniority shall date back to the date of latest hire. The time from the date of most recent hire for continuous, benefited or part-time work within a department shall count toward the probationary period. However, no retroactive pay shall be made for benefits credited herein. Probationary employees, for the purpose of accruing and using benefits, shall be eligible employees after ninety (90) calendar days from their latest date of hire. Upon the completion of the probation period, the employee shall be granted full rights and benefits of the regular employee.

E. The Fire Chief may extend the probationary period for performance deficiencies or if the employee has a lost time due to injury or illness. Such extension shall not exceed 6 months.

F. The City’s residency requirement is contained in Administrative Rule 1. Since this is a mandatory negotiation item, any change to the provisions of Administrative Rule 1 must be jointly negotiated between the Union and Management.
7.02 **Promotion to Lieutenant.**

A. Promotions shall be made through determination of qualifications, utilizing a merit system procedure;

B. Fire Department merit system requirements include a written examination, time-in-grade requirements, and a qualifications review by a promotion review board that will submit recommendations to the Fire Chief;

C. Seniority shall be the basis for promotion where the promotion board finds all other merits equal between applicants.

7.03 **Hours of Work.**

A. The standard work week for forty (40) hour work week employees, shall be Monday through Friday, unless otherwise set by the Fire Chief;

B. The standard work week for operations division personnel on the 24-hour shift basis shall be from 7:00 a.m. to 7:00 a.m. the following day, and averages on a yearly basis to be a fifty-six (56) hour work week;

7.04 **Overtime Hours.**

A. The Operations Division shall have a twenty-seven (27) day work cycle. The Fire Prevention and Administrative Divisions shall have a seven (7) day work cycle. The fifty-six (56) hour employees shall be paid time and one-half for all hours worked over 204 hours. The forty (40) hour employees will be paid time and one-half for all time worked over 40 hours from midnight Sunday to the following midnight Sunday, unless at his option the employee may elect to receive hours off with pay, within the seven (7) day work cycle. All paid leaves shall count toward the 204/40 hours for computation of overtime. The City agrees that they shall not schedule employees off for the purpose of avoiding overtime.

B. Overtime shall not be paid twice for the same hours nor shall there be a duplication or pyramiding of premium pay. Work outside the employee’s normal schedule will not be allowed without the approval of the Fire Chief or his designated representative;

C. **City Responsibility.** It shall be the responsibility of the City to determine in each instance if overtime work is required and, if so, how many employees will be required to perform the work;

D. **Employee Responsibility.** The employee shall keep the Fire Department advised of his permanent address and telephone number where they may normally be reached.
7.05 Upon promotion to a position in a higher grade, an employee will be placed on the pay scale for the new grade at the same step as they were on when the promotion is made. If an employee is demoted, or voluntarily chooses to transfer to a position in a lower grade, they will be put on the pay scale for the new grade at the same step as they were on when the demotion or transfer is made. A Lieutenant or firefighter who transfers from a 56 hour per week work schedule to a 40 hour per week work schedule will be placed on the scale at the step that is closest to a 5% increase in pay. A Lieutenant and/or a firefighter who transfers from a 40 hour per week schedule to a 56 hour per week schedule will be placed on the scale at the step that is closest to a 5% decrease in pay.

7.06 The City shall adopt and maintain an Administrative Rule or Standard Operating Procedure that provides for paramedics to leave paramedic duty, but remain with the Department as Firefighters. Notwithstanding this section, the City may suspend such Administrative Rule or Standard Operating Procedure in cases that arise which threaten the ability of the Department to provide adequate levels of paramedic staffing.

ARTICLE EIGHT
UNIFORM CLOTHING POLICY

8.01 The City agrees that if any regular benefited employee is required to wear any kind of uniform as a condition of his continued employment, such uniform shall be furnished by the City free of charge at the standard required by the City. Upon the effective date of this contract the City shall make a good faith attempt to secure a complete set of uniforms for all employees. Upon date of hire the City shall have the employee measured and orders placed for a complete uniform if said sizes are not in stock. The sufficiency of such furnishing by the City shall be the subject of discussions in the Labor-Management Committee. Uniform items provided by the City shall only be worn during duty hours including travel time to and from work.

8.02 Uniform items shall be replaced on an as needed basis with the authorization of the Operations Chief.

8.03 The City shall reimburse the employee for prescription glasses (including prescription sunglasses but not including contacts) or watches (including bands) broken, damaged, or lost while responding to a fire alarm in a Fire Department emergency vehicle, or engaged in duties of an emergency nature directly at the scene of such an alarm. The maximum value of watches shall be $50.00 or actual value, whichever is less. The maximum value of glasses shall be $350.00 or actual value, whichever is less. The loss must be reported to the supervisor prior to the termination of the employee’s current shift in order to be eligible, and the employee must have filed and maintained the date of purchase, cost, and description of the watches and glasses. The City’s reimbursement may be in cash, by replacement, or by repair, at the sole discretion of the City; however, nothing in this section shall be construed as prohibiting the Fire Chief, in his discretion, from approving a reasonable amount for partial or total replacement of damaged contacts, provided the other requirements of this section are met.
ARTICLE NINE
EDUCATIONAL LOAN

9.01 The City of Rapid City recognizes the benefit to employees of continuing their education and has set aside funds for the purpose of establishing low interest loans.

9.02 These funds shall be used for loans to those employees who make the required application and provide proof of educational expenses directly related to an educational program in an associates, baccalaureate, or post graduate degree program of an accredited educational institution; a program granting college credit that is transferable to one of the South Dakota state supported colleges; or job-related vocational/technical training. The employee must have completed their probationary period to be eligible for the loan. The City of Rapid City will make payment directly to the institution and/or bookstore.

9.03 The maximum amount to be borrowed shall not exceed $5,000. The outstanding balance cannot exceed $5,000 at any time. The loan shall be repaid by payroll deduction and total proceeds received on any loan, plus interest must be repaid through such payroll deductions within the designated date of the loan. The repayment shall begin on the first payroll paid after the loan is secured and be repaid within twenty-four (24) months from the time the loan is secured.

9.04 There shall be a one percent (1%) administrative fee assessed to the total loan at the time borrowed and the fee shall be repaid within the repayment period of the loan.

9.05 Any outstanding balance at the time of termination of employment shall be collected to the maximum extent possible from the employee’s final pay. Any remainder shall be immediately due and payable in full.

9.06 In the event of withdrawal from the course(s), all refunds will be considered as payment against outstanding balances within three business days of receipt of any such refund.

No annual leave can be taken until after the employee has reached their first January 1st of employment with the City.

10.02 Fifty-six Hour Week Employees:

Due to the varying number of actual on duty hours for those personnel on 24-hour shift schedule (a 14-day period varying from 96 to 120 hours, depending on cycle and/or day starting annual leave period), annual leave will be specified in terms of shifts rather than days or weeks in computing authorized annual leave time. Therefore, personnel in this category will receive annual leave periods as follows:

A. For each complete month of service prior to the first January following the employment date, each employee will accrue 10 hours per month. Employees are not allowed to take annual leave until after their first January 1st has passed.

B. Commencing with the second January 1st following his date of hire, and continuing each January 1st through the fourth January 1st, each employee shall be granted five (5) shifts (120 hours), or ten (10) hours per month (2 week equivalent) of leave;

C. Commencing with the fifth January 1st following his date of employment, each employee shall be granted seven (7) shifts (168 hours), or fourteen (14) hours per month (3 week equivalent) of leave;

D. Commencing with the fourteenth January 1st following his date of hire, each employee shall be granted nine (9) shifts (216 hours), or eighteen (18) hours per month (4 weeks equivalent) of leave;

E. Annual leave time will be taken during the calendar year immediately following the year that the annual leave was accrued.

10.03 Rights in Scheduling Annual Leave

Due to the Fire Department’s continuous operations and need to maintain a minimum staffing level, the department retains the right to schedule employees’ annual leave throughout the year and to limit the number and classification of personnel on annual leave during any one period of time. The employee retains the right to select his annual leave period within the guidelines set forth below, based upon his departmental seniority held over members of his particular shift of assignment.
10.04 Scheduling of Annual Leave - In General

The annual leave and Kelly Day selection process for the following year will take place during the first part of December. In order to facilitate this selection process, scheduling of absences during these three days will be discouraged. The selection must be made within this designated scheduling period or the employee will relinquish seniority rights for the purpose of selecting annual leave time. In the event a conflict in scheduling occurs, annual leave will be assigned to the maximum extent allowable in the order of seniority. The Fire Chief or their designee shall post the scheduled annual leave by January 1st.

A. Annual leave and Kelly Days shall be picked according to the procedures set forth in the Department's Administrative Rule 7.

B. Annual leave will not be adjusted for individuals who are on the short term disability plan.

10.05 Use of Annual Leave - 40-hour-per-week Employees

Except as otherwise noted, annual leave will be granted as requested by the employee, consistent with the operational requirements of the work unit. No more than one employee who works a 40-hour per week schedule may be scheduled for annual leave at the same time in the same division without the Chief or their designee’s consent. Choice of annual leave will be by the department seniority within the division. The Chief may defer annual leave as appropriate, or require advance scheduling of annual leave to provide for adequate staffing levels and the orderly operation of the department. An annual leave request must be signed and submitted one week prior to commencing an annual leave period. A 40-hour-per-week employee may carry over to the following year the previous year’s accrual plus one week accrual. Accumulations in excess of this amount shall be forfeited on January 1st. The Department Director and Mayor may allow additional amounts of annual leave to carry over only when operational requirements preclude the usage of the excess accumulation of annual leave. When such authority is granted, the excess accumulation of annual leave must be used within four months of the carry over year or be forfeited.

10.06 Payment for Annual Leave

A. All annual leave pay shall be calculated at the employee’s current base rate of pay. Current base rate of pay shall include FLSA overtime when the 56-hour employee exceeds 204 hours in a 27 day work cycle.

B. Employees shall not be allowed to waive annual leave and receive double pay by working during annual leave.

C. In the event an employee leaves City employment for any reason, they shall receive payment for their annual leave according to the annual leave balance
as of his last working day, and a prorated payment for annual leave - accrued since the last January 1st.

ARTICLE ELEVEN

11.01 The following days will be recognized and observed as holidays for the 40 hour per week employees:

A. The first day of January, commonly known as New Year's Day;

A personal holiday shall not be taken unless the employee has submitted a request at least seven (7) days which may be waived by the Fire Chief) prior to the said requested day off, and the Fire Chief has approved. Personal holidays will normally be granted when requested by the employee and will be selected the same as annual leave.

11.02 Whenever any of the foregoing holidays fall on Sunday, the Monday following shall be observed as the holiday.

11.03 Whenever any of the foregoing holidays fall on Saturday, the Friday immediately preceding shall be considered as a holiday.

11.04 Employees eligible under this Article will receive eight (8) hours of pay at their regular rate of pay for each holiday recognized by this Article on which no work is performed. If

ARTICLE TWELVE
KELLY DAYS

12.01 The recognized holidays and the scheduling set forth in observing these holidays shall not apply to Fire Department personnel working the 24-hour shift. Credit for and observance of holidays for these personnel is provided for by the Kelly Day System.

12.02 An employee on a 24-hour shift shall be entitled to nine (9) Kelly Days per calendar year. These Kelly Days shall be accrued at the rate of one (1) duty shift off for each thirteen and one-half (13 1/2) 24-hour shifts for which duty was performed, not to exceed nine (9) in any one year. The City retains the right to decide which days can be utilized as Kelly Days to ensure adequate staffing. The employee retains the right to select, by means of seniority, those shifts deemed by the Chief as available for use as Kelly Days.

12.03 Each employee must select three (3) Kelly Days prior to June 1st, and if any employee takes any Kelly Days before accrual and then terminates, the advanced days shall be deducted from the final pay.

This amount shall be divided equally, with 84 hours available for use under the general provisions of the sick leave policy and 84 hours pooled for use in the Short Term Disability Plan.

ARTICLE FOURTEEN
SHORT TERM DISABILITY PLAN

The following explanation is a description of the Short-Term Disability Plan benefit.
Eligibility: All employees of the City of Rapid City, who are participating members of the South Dakota Retirement System. Regular part-time employees who are eligible for benefits under this Agreement shall receive Short-Term Disability benefits pro-rated on the employee’s normal schedule as compared to 2080 hours, consistent with the schedule applicable to the employee’s length of service. Benefits commence if the employee has exhausted all but 40 hours or less of their available general Sick Leave A balance. Employees must be off work for 3 consecutive working days prior to receiving the Short Term Disability Benefit and that time will be charged to Sick A, Annual Leave or Leave Without Pay.

Disability: An employee who is unable to perform the essential functions of his/her work assignment due to bodily injury or sickness in the opinion of his medical physician.

Employee’s Responsibility: It shall be the responsibility of each employee to inform their supervisor of the status of their injury/illness prior to each payroll period. A Verification of Disability form must be completed and returned to Payroll prior to the applicable payroll period. Said notice must be in writing, signed by the attending physician and in addition, must include the time from specified date to specified date in which the employee will be absent. If the employee fails to notify Payroll of the status during the payroll period, pay adjustments will be made when the proper paperwork is received.

Dispute Resolution: In case of a dispute between the employee and the City regarding any conditions of disability, a review of the case will be conducted in the following manner:

A. The City may request that a copy of the findings of the physician chosen by the employee be furnished to a physician chosen by the City for verification. If the findings are verified by the City physician, no further review shall be conducted.

B. In the event the findings of the physician employed by the employee do not agree with the findings of the physician employed by the City, the City will at the written request of the employee ask that the two physicians agree upon and appoint a third qualified and neutral physician for the purpose of making a physical examination of the employee.

C. Such three doctors, one representing the City, one representing the employee, and one doctor approved by the employee’s doctor and the City’s doctor, shall constitute a board of three, a majority vote of which shall decide the issue.

D. The expense of employing the third physician examiner shall be borne one-half by the employee and one-half by the City.
Length of Absence: All absences shall be considered as a single period of disability unless acceptable evidence is furnished that the cause of the latest disability cannot be connected with the causes of any of the prior disabilities.

If an employee is off more than once because of the same illness, the periods of disability will count towards the maximum period of benefits, 26 weeks. However, if an employee has returned and worked for a full year, the period of disability will be treated as a new illness or disability with benefit eligibility being a maximum of 26 weeks.

ARTICLE FIFTEEN
FAMILY AND MEDICAL LEAVE

15.01 The Family and Medical Leave Act of 1993 “FMLA” guarantees the right of eligible employees to take up to a total of 12 weeks of leave per year, either in one continuous absence or on an intermittent basis, for one or more of the following reasons:

(a) upon the birth of the employee’s child;

(b) upon the placement of a child with the employee for adoption or foster care;
(c) when the employee is needed to care for a child, spouse or parent who has a serious health condition; or,

(d) when the employee is unable to perform the functions of his or her position because of a serious health condition.

If the employee is entitled to paid personal leave or paid sick leave, the employee may elect or the employer may require that the paid leave be taken as part of the 12-week leave provided by law. Accrued paid annual leave may be used at the employee’s option for any FMLA-qualifying purpose. However, the FMLA does not require that paid leave be provided where this Agreement does not already provide for paid leave, nor does it provide paid leave in excess of the leave the employee has accrued pursuant to this Agreement.

15.02 Definitions for this Article. Should the definitions in this Agreement differ from a definition in Federal law, the definition in Federal law shall control.

Child. An adopted child, a foster child, stepchild, ward or person who is under age 18 or over age 18 but incapable of self-care because of a mental or physical disability and of whom the employee has custody.

12-month period. The calendar year.

Serious health condition. An illness, injury, impairment, physical or mental condition that involves inpatient care in a hospital, hospice or residential medical care facility, or continuing treatment by a doctor.

Health Care Provider. A doctor of medicine or osteopathy who is authorized to practice medicine or surgery by the State of South Dakota or any person determined by the U.S. Secretary of Labor to be capable of providing health care services.

15.03 Eligible Employees. To be eligible for absence under the FMLA, the employee must have been continuously employed by the City for a 12-month period immediately preceding his/her request for absence, and during that 12-month period have worked at least 1,250 hours.

15.04 Notice. Employee is required to provide the employer with 30 days notice of an anticipated absence when it can be reasonably foreseen. When circumstances prevent the employee from giving 30 days notice, the employee must make a reasonable effort to schedule treatment so as not to unduly disrupt the employer’s operations.

15.05 When required by the Chief or their designated representative, requests for leave due to a serious medical condition of the employee or qualified member of employee’s family shall be verified by the certification of a qualified health care provider which certification shall contain the following:
A. The date when the serious health condition began;

B. The probable duration of the condition;

C. The appropriate medical facts within the knowledge of the health care provider regarding the condition;

D. If the leave is due to the employee’s serious health condition, the certificate must include a statement that the employee is unable to perform the functions of his or her position;

E. If planned medical treatment is the reason for the leave and employee wants intermittent leave or leave on a reduced time schedule, the date when the treatment begins and the estimated duration of the treatment; or

F. If the leave is necessitated by a serious medical condition of the employee or the employee’s child, spouse or parent, the certificate shall state that there is a medical necessity for the leave and an estimate of how long the leave will be needed.

The employee may be required to obtain a second opinion at the employer’s cost from a second health care provider of the employer’s choice. If the second opinion conflicts with the first opinion, the employer may request a third opinion at the employer’s cost. The employer and the employee must jointly agree on the person providing the third opinion. The third opinion is final and binding.

15.06 Effect on Pay and Benefits. During the term of unpaid family or medical leave, no pay or other benefits shall accrue, with the exception of any group health benefits that were in effect at the time of commencement of such leave or new group health benefits which are provided by the Employer during the FMLA leave. Group health insurance shall be continued in force for the duration of family or medical leave and the City shall continue to pay that portion of benefits normally paid by the employer. The employee shall be responsible for payment of any premiums he or she normally pays through payroll deductions. Such payments must be made by mail or in person to reach the Finance Department no later than the last working day of the month prior to the next following month of insurance coverage.

15.07 Failure to Return to Work. If the employee fails to return to active City employment upon the expiration of the maximum 12 weeks of leave provided under this section (to include any paid annual leave or sick leave that may have been taken in conjunction with the absence) the employee shall be responsible for repayment of any employer-paid premiums during the unpaid portion of the absence unless the failure to return is based upon the continuance, recurrence, or onset of a serious health condition or other circumstances beyond the employee’s control. In such instances, the employee must provide in a timely manner a certification by a health care provider attesting to his/her inability to return to active employment.
15.08 Effect on Seniority. During any FMLA leave, the employee shall remain on the seniority list and continue to accrue seniority as provided elsewhere in this Agreement.

15.09 Effect on Reemployment and Other Rights. Upon expiration of a duly authorized absence under this section, the employee shall be reinstated to the same position held at the time such leave commenced or to a position equivalent to or higher in pay, benefits, and other terms and conditions of employment. No employee shall be interfered with, discriminated against, disciplined, or otherwise restrained from exercising his or her rights under the Family and Medical Leave Act.

15.10 Husband and Wife Jointly Employed by the City. If a husband and wife entitled to leave under this section are both employed by the City, the total number of work weeks of leave to which they are jointly entitled is limited to 12 work weeks during any 12-month period if such leave is taken.

A. Under Section 1(a) or (b) for the birth or adoption of a child; or,
B. Under Section 1(c) to care for an ill parent.

15.11 Intermittent or Reduced Leave Schedule. Leave under Section 15.01 (a) or (b) shall not be taken on an intermittent or reduced leave schedule unless the employee and the department head agree otherwise. Leave under Section 15.01 (c) or (d) may be taken intermittently or on reduced leave schedule when medically necessary.

15.12 Expiration of Entitlement. Entitlement to leave under this Section for birth or adoption expires at the end of the 12-month period beginning on the date of birth or adoption (placement).

   2) Relative qualification and ability to perform the work;
   3) Productivity and performance in current or previous position;
   4) Whether the employee and position are critical as determined by the City; and
5) Physical fitness for the position;

C. If, after considering the above factors, the City determines that the qualifications of two or more employees are equal, the least senior employee or employees will be laid off.

24.02 Recall.

A. Following a layoff, if the City decides to hire employees, the City shall first notify laid off employees to return to work. Laid off employees shall be recalled in reverse order of lay off, so that the last employee laid off shall be the first to be given the opportunity to return to work.

B. The City shall provide written notice to those employees who are eligible to return to work. The employee shall respond in writing to the written notice within seven days. In the employee’s written response, the employee shall either agree to return to work as requested or decline to return to work.

C. If the employee declines in writing to return to work as requested, or if the employee fails to respond in writing or if the employee is absent without leave on the first shift the employee is scheduled to work, the employee shall be deemed to have resigned as a City employee and shall have no further right to be recalled.

D. Any employee who is laid off must insure the City has a current address for the employee. Non-receipt of a notice to return to work due to an outdated address shall not excuse the employee’s obligation to respond within seven days. Notwithstanding the employee’s obligations, the City shall make a good faith effort to contact the employee via telephone if the employee leaves a current telephone number on file with the Chief.

E. Any employee recalled from a lay off must meet all physical fitness requirements for the position. The City may require the employee to complete a physical prior to returning to work. Failure to pass a physical or to meet all physical fitness requirements shall be deemed a voluntary resignation and the employee shall have no further right to be recalled.

ARTICLE TWENTY-FIVE
GRIEVANCE PROCEDURE

25.01 Grievance means a complaint by an employee or group of employees concerning the interpretation or application of the provisions of this Agreement, or of rules or regulations governing personnel practices or conditions, which complaint has not been resolved satisfactorily in an informal manner between the employee and his immediate supervisor. The employee may request that the union representative be present.
25.02 Individual employees or groups of employees shall have the right to present grievances, in person or through the union representative, provided that any settlement reached is consistent with the provisions of this Agreement, the union representative is given an opportunity to be present at such adjustments, and the grievance has been properly filed and adjusted according to the established procedure set forth in this Article.

25.03 Failure by an employee to comply with any time limitation shall constitute withdrawal of the grievance. Failure of the City to comply with any time limitation shall enable the grievant(s) to proceed to the next step in the grievance process. It is agreed that all times may be extended by agreement between the City and the grievant(s) or Union.

25.04 Both parties agree to encourage an employee to discuss his complaint within his chain of command. Within fourteen (14) days after the employee had knowledge of its occurrence, or should have had knowledge of its occurrence, the employee and/or his representative shall submit to the Chief or his designee a written grievance, which shall be known as Step 1. The Chief or his designee shall meet with the employee and/or his representative, within seven (7) days in receipt of the grievance. The employee may request that the union representative be present.

25.05 If the employee disagrees with the decision of the Chief, he shall file within fourteen (14) days of the receipt of the notice from the Chief or his designee a written grievance with the Mayor, which shall be known as Step 2. The Mayor or his designee will meet with the employee, who may be accompanied by his representative, to discuss the grievance. Within fourteen (14) days of this meeting, the written decision will be submitted to the employee by the Mayor.

25.06 If the employee disagrees with this decision, the employee and/or his representative may, within thirty (30) days after receipt of the decision, initiate an appeal to the South Dakota Department of Labor, who shall conduct an investigation and hearing, shall issue an order covering the points listed, and shall order it be binding on the employee and the City in accordance with the provisions of SDCL Section 3-18-15.2, subject to either parties’ right of appeal pursuant to SDCL 1-26.

ARTICLE TWENTY-SIX
PERFORMANCE RATINGS

Employees shall receive annual performance ratings by their supervisors. Performance ratings shall be noted in employee service records and shall be considered in effecting personnel actions. If the employee disagrees with the evaluations, such employee may rebut said evaluation directly to the Chief in writing.
ARTICLE TWENTY-SEVEN
HEALTH INSURANCE

27.01 For employees hired prior to January 1, 1982 the City agrees to pay 100% of the cost of contributions of the Group Health Insurance Plan for each participating employee and their dependents. For employees hired on or after January 1, 1982 the City will pay 100% of the contributions of the Group Health Insurance for each participating employee and 50% of the contributions for the employee’s dependents.

A. An employee who is a member of the South Dakota Retirement System and who also is a member of the Group Insurance Plan for the City of Rapid City, may, at the time of retirement, remain as a member of the Group Insurance Plan, provided the employee pays all expenses of the Plan. Any such payments shall be made at the time specified by the City, and it shall be the duty of the retiree to see that the payments are received on or before the date specified. Failure to deliver payment at or before the date specified may cause the insurance to lapse, and the City shall not be responsible for collection;

B. Eligibility for retention of group membership shall be dependent on the employee meeting the requirements of retirement as set forth under the provisions of the South Dakota Retirement System and the requirements shall be those pertaining to the class of employee under which the eligibility is earned;

C. The employee must have been employed by the City of Rapid City immediately preceding the retirement date;

D. Any employee who retires from the City consistent with the rules of the South Dakota Retirement System, but chooses to delay receiving their retirement benefits, shall be eligible for group health insurance coverage under the provisions of this Section as if they remained in the system.

E. The City agrees to pay 100% of the cost of contributions of the Group Health Insurance Plan for each employee who retires provided the employee meets the following conditions:

1. The employee retires in accordance with the provisions of the South Dakota Retirement System and employed with the City at least 20 years or;

2. The employee retires due to a medical disability;

3. The employee who retires under #1 or #2 above must have participated in the City’s Health Insurance at least five (5) years immediately preceding such retirement.
The retiree’s Health Insurance benefit expires upon the retiree becoming eligible for Medicare/Medicaid or reaching age 65.

27.02 Health Insurance Premium Policy for Medical Disability. When an employee becomes ineligible for the Health Insurance premium payment made by the City, because the employee is receiving no direct compensation from the City for that premium period, the City shall continue to pay the premium on the following basis:

For each full year of credited service, one month of Health Insurance premium will be paid to a maximum of 12 months of premium payments.

The payment commences on the month immediately following the loss of eligibility for payment and ceases the month following the benefit expiration or upon the month following termination for any reason, whichever is earlier.

The credited service year for the purpose of this policy is calculated from the same date, the anniversary date, as used for calculation of annual leave benefits. Paid leave of any kind shall not be used in any way other than a consecutive day progression to satisfy the direct compensation requirements. Payment of the premium by the City shall be on the same basis as would be paid if the employee has not become ineligible.

27.03 The Union and the City of Rapid City agree to the concept of a Healthcare Plan Committee to manage and make recommendations regarding the self-funded City Healthcare Plan. The Committee shall be comprised of the following people:

2 representatives from FOP
2 representatives from the IAFF
3 representatives from AFSCME
3 representatives from the Non-union group
1 retiree representative from the retiree group who is currently enrolled on the healthcare plan
Finance Officer
Human Resource Director
City Attorney
Council Representative

A majority of the members of the committee shall act as one with regard to the management of the City’s Healthcare Plan. The City Human Resource Director shall act as the chair of the committee. Any member of the committee may designate another person to attend any meeting on his behalf. Such a designee shall have full voting rights.

It is the desire of the City Healthcare Plan Committee and the City Council to fund the City Healthcare Plan to a level of responsible fiscal management and build an ongoing Ideal Fund Balance to a level consistent with the Ideal Fund Balance Target. The Committee recognizes its fiduciary responsibility to adequately manage the City Healthcare Plan to ensure
the Plan’s long term financial stability. To that end the Committee adopts the following Plan reporting criteria and funding philosophy.

27.04 Responsibilities of the Committee. At least annually the Healthcare Plan Committee shall establish and recommend to the City Council the funding level need of the City Healthcare Plan for the forthcoming Calendar Year consistent with its fiduciary responsibility to adequately manage the Plan to ensure the Plan’s long term financial stability.

The Healthcare Plan Committee shall review the Plan Reserve Balance on a quarterly basis, or as deemed necessary by the City Finance Officer or his designee.

27.05 Definitions as pertains to this Article:

The term “Calendar Year” shall mean the period of January 1 through December 31.

The term “Plan Year” shall mean the period of July 1 through June 30.

The term “Expected Plan Costs” shall mean the subsequent Plan Year quoted fixed costs from the Plan service providers and the stop-loss carrier’s aggregate attachment point times .80.

The term “Maximum Plan Costs” shall mean the subsequent Plan Year quoted fixed costs from the Plan service providers and the stop-loss carrier’s aggregate attachment point.

The term “City Medical Plan” as used in this document shall mean the self-funded medical plan offered the eligible City employees, former employees and their dependents who have properly enrolled and who have paid their share of the cost to participate. This term does not include the Dental or Life Insurance benefits also offered by the City.

The term “Ideal Fund Balance Target” as used in this document shall mean the average of two numbers as determined by First Administrators (or an organization unrelated to the City and appointed by majority vote of the City Healthcare Plan Committee) on or before June 15th of each year. The first calculated number in determining the Ideal Fund Balance Target shall be 35% of the Expected Plan Cost of the City Medical Plan for the subsequent Plan Year of July 1 through June 30 and the second number shall be 25% of the Maximum Plan Cost of the City Medical Benefit Plan for the subsequent Plan Year. Both numbers shall be based on the actual average enrolled employees and dependents in the 11 months ending May 31 of that Plan Year.

The term “Annual Funding” shall mean the monthly contribution level established by the Healthcare Plan Committee and approved by the City Council representing the contributions to the City Medical Plan from the City of Rapid City and the payroll deductions from employees and the payments from former employers.
The term “Plan Reserve Balance” shall mean the then current cash balance of the Medical Insurance Fund which accounts for all of the Medical Plan expenses and revenues on a month to month basis and which is maintained and accounted for by the City Finance department.

27.06 Funding Determination. To ensure proper financing of the City Healthcare Plan it is necessary to provide for an annual funding review. This document shall set Annual Funding increases at a minimum of 5% and a maximum of 14% as determined by the Fund needs to finance the Expected Plan Costs for the forthcoming year; plus or minus the Fund needs to move towards meeting or maintaining the Ideal Fund Balance Target for the forthcoming year.

If the above Funding concept is more than adequate to meet the expected plan cost and also produces dollars in excess of the Ideal Fund Balance Target the excess dollars must first be used to repay any loans due the City of Rapid City, secondly these dollars may be used to offset the forthcoming years funding need by carrying the dollars forward to subsequent years.

If the Annual funding adjustment is inadequate to meet the actual Plan Cost, the benefits provided by the Plan shall be adjusted to reduce the expected expenses to fit within the funding expectation.

Unless agreed by a 2/3 vote of the Healthcare Plan Committee, a rate change must occur each January 1 between the minimum 5% and maximum of 14%. Planning for the above application shall be completed in June of each year for the subsequent January 1 rate change and/or benefit modification implementation. Any recommendation for an increase in premium above 14% must be submitted to the City Council and to each bargaining unit for approval. The approval of the City and at least two of the four bargaining units shall be adequate to implement such an increase for all of the bargaining units.

27.07 In the event a firefighter dies in the line of duty, the City shall pay 100% of the spouse’s and 50% of the children’s health insurance contributions. If the firefighter does not have a spouse but has children, the City will pay 100% of their health insurance contribution. The City shall not be obligated to continue to pay contributions if the spouse remarries or reaches age 65 or Medicare, whichever occurs first. The City shall pay contributions for children as defined by the City’s Health insurance plan.

ARTICLE TWENTY-EIGHT
LIFE INSURANCE

28.01 A Group Life Insurance Plan is provided for all employees covered by this Agreement. The City will pay 50% of the cost of the contribution for single or family for each participating employee.
ARTICLE TWENTY-NINE
DENTAL INSURANCE

A group dental plan is provided for all employees covered by this Agreement with the employee contributing the full premium. The City and Union understand the concept of adverse selection and therefore agree that all employees must participate in the City Plan or show proof of coverage in another dental plan.

ARTICLE THIRTY
CHECK-OFF DUES

The Employer agrees to deduct from the pay of the employees covered by this Agreement, initiation fees, and assessments of the Local Union, but specifically excluding any assessments, or parts thereof, for any political purposes, and agrees to remit same such deductions within ten (10) days after the end of the month for which the deductions are made. Written authorization by the employee is to be furnished in the form required. Check-off procedures and timing shall be worked out between the Union and the Employer.

ARTICLE THIRTY-ONE
REIMBURSEMENT OF EXPENSES INCURRED IN TRAINING PARAMEDICS

The City may, in its discretion, agree to pay for an employee to be trained as a paramedic. If the City agrees to pay for paramedic training, the City may require the employee to enter into a contract regarding the payment of training expenses. Issues to be covered in the contract include, but are not limited to, repayment to the City for failed training, termination from employment with the City, and resignation of the employee during or within a set time period after successful completion of the training.

Employee will have the right to have union representation present during these negotiations, and will be allowed time to confer with said representation as to the terms of the agreement. Each agreement is personal with the individual employee’s unique circumstance and training program requirements. Previous reimbursement agreements between the City and employees will serve as a guide for these negotiations, but the previous agreements will not be controlling on the negotiation. During these negotiations both parties acknowledge their duty to negotiate in good faith.

ARTICLE THIRTY-TWO
SENIORITY

32.01 Seniority means the length of continuous service with the Fire Department, beginning with the latest date of hire with the City in the Fire Department.

32.02 Both parties are in accord that, along with other considerations, seniority within the division should be a factor in filling vacancies, in promotions, demotions, layoffs and recalls. All actions taken in these areas shall be taken with due consideration to ability, fitness,
experience, qualifications, past performance and relative seniority. If all other considerations are relatively equal, seniority will prevail. The City shall be the judge of the controlling considerations but shall not act arbitrarily or capriciously in its decision. If seniority is bypassed, the employee shall, upon request, be furnished with written reasons therefore, and such affected employee may process his complaint through the grievance procedure under this Agreement.

32.03 The Department will furnish the Union a list of the employees within the bargaining unit, showing the names of all employees in the order of their seniority ranking, within thirty (30) days after the effective days of this Agreement, and a revised listing each six (6) months thereafter. Protests of errors in or omissions from seniority rosters must be made to the City within sixty (60) days from the date of the first furnishing of the list, or the list, and all subsequent lists, will be deemed correct for all purposes. An information copy may be posted in the Main Station and each substation.

32.04 Termination of Seniority. Seniority shall terminate when an employee:

A. Quits;

B. Is discharged for just cause;

C. Is retired;

D. Is laid off for a continuous period of thirty-six (36) months, unless such time is extended in writing by the City and requested by the employee;

E. Is absent beyond any paid leave for six (6) months because of a non-occupational illness or injury, unless such time is extended in writing by the City and requested by the employee, or unless the member is on a leave under Article Eighteen or Article Nineteen;

F. Is absent beyond any paid leave for thirty-six (36) months because of an occupational illness or injury, unless such time is extended in writing by the City and requested by the employee.

32.05 The Union and the City shall agree on circumstances under which persons who leave the classifications of work covered by this Agreement, but remain in the employ of the City in some other capacity, may retain seniority rights upon their return to their original unit. In the absence of such express agreement, such employees shall lose all seniority rights. All previous commitments shall be honored with regard to this section.

ARTICLE THIRTY-THREE
COMMITTEE FOR UNION-MANAGEMENT COOPERATION

33.01 For the purposes of fostering a productive working relationship, and addressing safety issues within the workplace, the Union and City agree that a Union Management
Cooperation Committee shall be continued. Meetings of the Union Management Committee shall be held on an as needed basis at the request of either party.

33.02 The committee or any employee may call to the attention of his department head the fact that certain equipment may be dangerous to use, and the department head shall have effective authority to remedy the situation by withdrawal of the equipment from use or arranging for its immediate repair. If the department head refuses to take the necessary steps to remedy the situation, he must notify the employee or the committee of his decision within twelve (12) hours after the matter is brought to his attention, and the employee or committee may take the matter immediately to the City Safety Officer for his immediate investigation and determination.

Any employee making a charge with respect to the safety of equipment shall have been expected to appropriately advise his supervisor of the deficiency of the machine which caused it to be unsafe.

33.03 The committee shall be composed of three (3) members designated by the Union and three (3) members designated by the City. All recommendations with respect to safety shall be made the subject of a resolution by a majority of the committee. If the committee is unable to reach a majority decision on any question of safety, the question shall be referred to the person or persons selected by a majority of the committee to decide the issue.

33.04 Minutes shall be kept of all meetings and shall be distributed to the City and the Union to the end that both the City and the employees will have an understanding of the deliberations of the committee.

ARTICLE THIRTY-FOUR
SAVINGS CLAUSE

If any provision of this Agreement is in contravention of the laws or regulations of the United States, the State of South Dakota, or the ordinances of the City of Rapid City, such provision shall be superseded by the appropriate provisions of such law or regulation, so long as the same is in force and effect; but all other provisions of this Agreement shall continue in full force and effect. If the parties are unable to agree as to whether or not any provision thereof is in contravention of any such laws or regulations, the provisions thereof involved shall remain in effect until the dispute is settled by the court or other authority having jurisdiction in the matter.

ARTICLE THIRTY-FIVE
DURATION OF AGREEMENT

35.01 This Agreement shall remain in full force and effect commencing at 12:01 a.m. on the 1st day of January, 2014, and shall continue in full force and effect until 12:00 midnight on the 31st day of December, 2017.

35.02 On or before April 1, 2016, either party hereto may notify the other party in writing of its desire to negotiate the terms and provisions of a successor agreement.
If no new agreement is in place by January 1, 2018, the terms of this contract shall remain in full force and effect until a new agreement is in place.

APPENDIX A
WAGE SCALE

The parties have agreed to a four year wage plan. The term will begin January 1, 2014 and terminate December 31, 2017. The formula for calculating wage increases on January 1 and July 1 of each year will be applied consistently for the four years of the contract term.

January 1 of each year a step increase will be given to each employee. The step increase will be given equivalent to a 2.5% increase for those employees that are between steps A and step II on the IAFF pay matrix as of that date. Those employees with steps between J and R on the IAFF pay matrix as of January 1st of each year will be given a step increase equivalent to 1.25%. Employees at the end of the scale will not receive a step increase.

July 1st of each year covered by the term of the contract a cost of living adjustment will be given based on the Consumer Price Index Urban Consumers (CPI-U, Midwest Urban Region), and the City of Rapid City sales tax revenues from the previous calendar year. The cost of living adjustment will be given in the form of an adjustment to the IAFF pay matrix with a maximum of 2.5%. The following formula will be used to determine if there will be a matrix adjustment and the amount of the adjustment:

If sales tax (based upon accrual) growth is less than 2.0%, no matrix adjustment;

If sales tax (based upon accrual) growth is at least 2.0%, but less than 3.0%, the matrix will be multiplied by 25% of the previous calendar year CPI-U

If sales tax (based upon accrual) growth is at least 3.0%, but less than 4.0%, the matrix will be multiplied by 50% of the previous calendar year CPI-U

If sales tax (based upon accrual) growth is at least 4.0%, but less than 5.0%, the matrix will be multiplied by 75% of the previous calendar year CPI-U

If sales tax (based upon accrual) growth is at least 5.0%, the matrix will be multiplied by 100% of the previous calendar year CPI-U.
The IAFF pay matrix on January 1st of 2014 will be the IAFF pay Matrix as it exists after July 1st of 2013 and will be updated throughout the contract based on the terms of this Agreement. An actual wage scale will be provided to the Union and attached to the contract prior to January 1, 2014. The current wage scales for the City, including the IAFF wage scale are also available on the City’s website at: http://www.rcgov.org/Human-Resources/compensation-scale.html.

APPENDIX B

STANDARD SCHEDULE OF DISCIPLINARY OFFENSES/PENALTIES FOR CITY OF RAPID CITY EMPLOYEES

1. This list is not intended to cover every possible type of offense. Penalties for offenses not listed will be prescribed by the Department Director, Division Manager or Supervisor, consistent with penalties for offenses of comparable gravity, unless superseded by contract or law.

2. Many of the items listed on this schedule combine several offenses in one statement, connected by the word “OR”. Usage of the word “OR” in a charge makes it nonspecific.

3. Depending on the gravity of the offenses, dismissal proceedings may be instituted against an employee for four infractions committed in any 24-month period.

4. Where appropriate, consideration may be given to change to lower grade in lieu of dismissal.

5. Suspension penalties on this schedule apply to work days.

6. Reckoning periods commence on the date of the offense.

7. Departments may establish additional rules pertaining to each department, which are not in conflict with these rules.

8. Disciplinary action to suspend or dismiss an employee must be reviewed with the Human Resources Director and/or City Attorney’s Office or designees prior to final action.

9. All rules and disciplinary actions are enforced in compliance with current federal and state statutes and regulations, as example the Fair Labor Standards Act.

10. Definitions: For clarity of interpretation, the following terms are defined:

   Competent Authority – defined as those authorities that are properly appointed to carry out the supervisory/management duties as assigned by the City and as defined by the supervisory/management position.

   Reckoning Period – defined as the period of time applicable to an offense in which no similar offense can occur. If, for instance, a first offense occurs and the reckoning period is six months and a similar infraction occurs within the six-month period, the similar infraction is counted as the second offense. If the reckoning period expires and another similar infraction occurs, the new occurrence may count as a first offense. This does not imply that continued patterns or frequencies of occurrence might not result in more severe penalties based upon performance factors.
APPENDIX C
RANGE OF PENALTIES FOR STATED OFFENSES

Penalties for disciplinary offenses will, in general, fall within the range indicated. In unusual circumstances, depending on the gravity of the offense, the past records, and the position of the employee, a penalty outside the general range may be imposed.

(Reprimands – Suspensions – Dismissals)
