RE: Bid Award Recommendation

Low bidder of \$170,833.00 Floyd's Truck Center with Sanitation Products did not meet the outlined specifications needed for the Single Axle 4X4 Sander Truck with Pre-Wet System and V-plow.

Specifications not being met:

- 1:04 – printed specifications and literature on the models they propose to furnish
- 3.04 – local dealer for service of the hydraulics and pre-wet system
- 28.02 – Sander body with 7' minimum
- 30.01 – Idler 2" diameter shaft with roller bearings, 3" spring loaded idler adjustment
- 33.04 – Conveyor dual motors, one on each side of conveyor
- 47.07 – Pre-Wet system pump shall be mount near rear of spreader

We recommend awarding the Single Axle 4X4 Sander Truck with Pre-wet system and V-plow to second lowest bidder, Floyd's Truck Center with Northern Truck Company as it is meeting specifications with no deviations.

The cost of \$192,311.00 less trade of \$14,000.00 Unit S018, 2004 Sterling Sander Truck VIN: 2FZAATBS24AM50473 for total of \$178,311.00, this is under budget of \$190,000.00.
