WHEN BIDDING IS REQUIRED

Bidding is required of any local government entity when a purchase or contract equal to or exceeding \$25,000 is anticipated. This applies to contracts for the purchase, lease or rental of materials, supplies or equipment. If the contract is for the construction of public improvement, which involves the expenditure of a sum equal to or in excess of \$25,000; then advertisement for bids is required. (SDCL 5-18-2, 5-18-3).

(SDCL 5-18-18) Exemptions from Bidding -

- a) Purchase of utility services;
- b) Purchase of materials, supplies or equipment from the United State or its agencies, including purchases of federal surplus property;
- c) Equipment repair contracts;
- d) Purchase of surplus property from another public corporation;
- e) Purchase from the lowest bidder of an item contained on the state price list;
- f) Purchase from lowest bidder of an item competitively bid by another local government or by itself within the previous 12 months (documentation of such purchases is to be made in the entity's minutes and retained on file). A governing entity may not utilize the bid of another entity if the original bid specification included a trade-in allowance. If one entity accepts a bid net of trade-in allowances, another entity may not contract with the successful bidder by utilizing the 'original bid amount' for a cash outright purchase.

Rapid City Police Department
Memo

TO: Chief Don Hedrick

FROM: Sergeant Darren Soucy

DATE: February 8, 2021

SUBJECT: 2021 Vehicle Purchases

Chief Hedrick,

After reviewing the status of our current fleet, I recommend the following purchases to replace aging, high-mileage vehicles in our current fleet. This is part of our routine replacement plan to ensure our fleet is safely maintained.

<u>Quantity</u>	<u>Vehicle(s) to Purchase</u>	<u>Cost</u>
6	Dodge Durango Police	\$220,830.00
1	Dodge Charger Police	\$30,536.00
2	Jeep Cherokee Police	\$53,602.00
Total Purchase		\$304,968.00
2021 Fleet Budget		\$309,600.00
(remains)		\$4632.00

I calculated the state bid prices of the vehicles including necessary added options. I have spoken with Liberty Superstores and the dealership has agreed to meet state bid prices. The seven Dodge brand vehicles will be ordered and delivered within the required timeline to meet the state bid. The two Cherokee's are currently available as part of their in-town inventory and will not need to be ordered. Those two vehicles will be ready for delivery immediately after City Council approval.

These purchases will make a significant positive impact on the condition of the fleet and replace aging vehicles with high mileage and maintenance concerns. The state bid and dealer authorization letters are included with this memo for your review.

With these purchases, several vehicles will be re-purposed throughout the department. This will allow us the opportunity to remove several high mileage vehicles from the fleet entirely.

Thank you,

Sergeant Darren Soucy
