

BID AWARD SUMMARY

LETTING DATE: February 23, 2021

PROJECT: 2020 Miscellaneous Improvements Projects, General Civil Projects,
Project No. 20-2605 / CIP 51132.1.

RECOMMENDATION: City staff recommends all bids for this project be rejected at the March 1, 2021 Council Meeting and authorize staff to re-advertise for bids.

The bids received were higher than the allocated funding could support. City Staff has evaluated the bids and has determined that it is not in the best interest of the City to award this project at this time. City Staff recommends making design modifications to get the project within the funding requirements. After design modification have been completed the project will be rebid.
