MEMORANDUM

TO:                        Airport Board
FROM:                     Patrick Dame, C.M., Executive Director
DATE:                     March 9, 2021
RE:                       Request Bid Authority for Pavement Marking Project
                          Airport Project No. 21-5305

As part of the current Pavement Maintenance project, the next step is to bid the Pavement Marking. This work will include the removal of all existing markings associated with Runway 14-32 and replace them with new. This was last completed in 2013 and will provide better adhesion. All work will be done at night between the hours of 11:00 PM and 5:00 AM. Almost half of the markings are essential airfield markings which must be removed and replaced in the same evening. This is a 2021 budgeted item and will funded 100% from the CARES Grant. Engineer’s estimate is $756,904.

**STAFF’S RECOMMENDATION:** Authorize staff to advertise for bid the 2021 Pavement Marking Project #21-5305.
