

Rapid City Police Department
Memo

TO: Chief Don Hedrick

FROM: Capt. Scott Sitts

DATE: 03/01/21

SUBJECT: Holster Surplus

The Rapid City Police Department currently has an inventory of duty holsters that are not compatible with our weapon mounted light system. As a result, I am requesting permission to surplus and donate 25 of these out-of-date duty holsters to Western Dakota Technical Institute's law enforcement program.
