Re: Street Maintenance Administrative Improvements #16-2320 / CIP #51109

This project provides necessary improvements to the Street Maintenance Facility, including office additions, rest room and locker room upgrades, HVAC/lighting upgrades and energy conservation improvements.

Current funding for this project is \$360,000. Following is the projected cost through the design development phase:

Design – Upper Deck Architecture	\$ 46,500
Construction Estimate	\$ 423,808
Estimating Contingency	\$ 42,381
Miscellaneous	\$ 7,311
Total	\$ 520,000

We are requesting additional funding in the amount of \$160,000 from CIP Contingency to complete this renovation of existing Street Maintenance Facilities.
