AMENDMENT NO.3 TO AGREEMENT FOR SCOPE OF SERVICES

PERRINE AND UNNAMED TRIBUTARY DRAINAGE BASIN DESIGN PLAN (DBDP) AMENDMENT

PHASE 2

CIP / PROJECT NO. 51189.2 / 18-2430

AMENDMENT SCOPE OF SERVICES.

The City of Rapid City has requested extra work due to the future anticipated abandonment of the Hawthorne Irrigation Ditch. It is anticipated segments of the irrigation ditch will need to be reserved for drainage conveyance while other portions may not be needed for drainage. The additional work will identify which segments of the existing irrigation ditch are required for drainage conveyance.

The work will include:

- Update Hydraulic Modeling Skeleton, Basin, and Hydraulic Data as necessary,
- Update and Modify the HEC-HMS modeling,
- Meetings with City Staff to discuss Irrigation Ditch Drainage Conveyance Recommendations,
- Special Report Section Regarding Hawthorne Irrigation Ditch Drainage Conveyance,
- Revise the Draft Perrine/Unnamed Tributary DBDP Update to reflect revisions to conveyance elements affected by the future abandonment of the Hawthorne Irrigation Ditch,
- Additional coordination between the Perrine/Unnamed drainage basins and the Racetrack Draw drainage basin with regards to the abandonment of the Hawthorne Irrigation Ditch

Revise the Project Report Title to PERRINE AND UNNAMED TRIBUTARY DRAINAGE BASIN DESIGN PLANS (DBDPS) UPDATE

Completion Date is extended to December 1, 2021.
