National Bike to Work Week  
May 17-23

National Bike to Work Day is May 21st. This event traditionally celebrates bicycling as a fun, eco-friendly, low-cost commuting option, and it provides both physical and mental health benefits.

Rapid City Hike Club

“Get your Tail on the Trail!” Our goal is to provide an enjoyable experience for our members and their guests.

Hikes will be scheduled every Thursday beginning May 27th, weather permitting, at a trail within or near Rapid City. These trips will be 1-2 hours in length starting at 5:30 pm. Difficulty is moderate in level and open to all ages. All hikes will meet at the designated trailhead. Trail fees, parking passes and transportation costs are the responsibility of the hiker. The membership fee for the 2021 hiking year is $20. Benefits include weekly e-mail of upcoming activities and reminders throughout the year.

National Bike to School Day  
May 5

The Pedaler’s Prize is up for grabs. This roaming trophy will be awarded to the school with the most participants on National Bike to School Day scheduled for May 8th. It is our goal to inspire our youth and young adults to be active through cycling and encourage them to use cycling as a form of commuting. This trophy currently resides at Corral Drive Elementary School. For more information on how your school can participate contact Lindsey Myers at 394-4175 or lindsey.myers@rcgov.org.

Walk to School Day  
October 6

Organized by the Partnership for a Walkable America, Walk to School Day in the USA began in 1997 as a one-day event aimed at building awareness for the need for walkable communities.

October makes a perfect time to celebrate National Walk to School Day! Not only does the day encourage getting some exercise, but the weather is perfect for walking to school, too.

The goal of this day is to raise awareness and support for the health, community and environmental benefits of regularly walking to school.

How to observe #WalkToSchoolDay
Walk to school or work. Enjoy the weather. Take photos and post on social media using #WalkToSchoolDay, @RapidCityParksandRecreation.

Swim Lesson Program
Course Descriptions
(All Pools)

* 8:00am - Online Registration Opens
* Noon - Phone Registration Opens

The Swim Lesson University format used by the City is explained below. Aquatics staff is available to answer questions if you do not find the description that matches your swimmer's level. Your child will be placed in the best suited swim level according to the prerequisites. Classes may be combined based on enrollment numbers. Ask to be added to the wait list if the class is full. (Being added to a wait list does not guarantee placement in a class.)

Private Swim Lessons
Sessions are one-on-one with one student to one instructor. Fee is $25 per half hour. All private lessons are scheduled and taught at the Swim Center. Contact the Swim Center at 394-5223 or stop by to fill out a Private Swim Lesson request form.

Swim Strokes 200
Prerequisite: Swim 15 feet without the aid of a flotation device, face in the water, and breathing as needed.
• Swim Strokes 201 for 3 to 5 years
• Swim Strokes 202 for 6 to 9 years
• Swim Strokes 203 for 10 to 13 years

After passing Swim Strokes 200, students can take either Advanced Swim Strokes 300 or Lifesaving Strokes 400 in no particular order.

Advanced Swim Strokes 300
Prerequisite: Swim 25 feet of Backstroke and Freestyle with side breathing.
• Advanced Strokes 301 for 3 to 5 years
• Advanced Strokes 302 for 6 to 9 years
• Advanced Strokes 303 for 10 to 13 years

Lifesaving Strokes 400

• Lifesaving Strokes 401 for 3 to 5 years
• Lifesaving Strokes 402 for 6 to 9 years

**All 103, 203, 303 and 403 classes are combined with 102, 202, 302 and 402 (6-9 year olds) to ensure classes will not be cancelled due to low enrollment of 10-13 year olds.

New Playground at Canyon Lake!

If you haven't been to Canyon Lake Park in a couple years, come check out the new playground equipment! From the intersection of Jackson Blvd & Canyon Lake Drive, enter the park and take the first left. The open-air shelter next to it is first-come, first-served and is a great place to watch your kids play!

New Community Garden!

One positive thing to come out of 2020 was a new community garden space in Rapid City. With help from a handful of community members and its own staff, Parks & Rec was able to build and organize a community garden at LaCroix Park (formerly LaCroix Links Golf Course). The garden has raised beds and in-ground plots to accommodate all abilities and ages, a shared storage shed, hydrants for watering, and is surrounded by a 6’ fence to keep deer out. 37 gardeners were able to reserve their plots at no cost. The concept and location proved successful right away and we were delighted to see gardeners enjoying the fruit of their labors. We hope to expand the garden in the years to come. Please call Melissa Petersen at 394-4175 to get added to the waiting list or for more information.
Rapid City will be gaining a bicycle playground in summer 2021. With cones to weave, platforms to cross, curves to bank, and hoops to thread, this course will challenge new riders and build confidence in bike handling! The playground, to be located in Robbinsdale Park east of the BMX facility, will be free and open for public use. We extend a big thanks to Strider Sports International for the generous donation so that Parks & Rec could move forward with this exciting addition! We hope people from all over the area will come to see what the hype is about and learn and play while you’re there.

The road reconstruction on West Omaha St includes widening the bridge over Rapid Creek. Due to the danger of the work being done overhead, the bike path will be closed from Med 5 FCU to just west of the Founders Park parking lot. Bike path users will have to follow the marked detour (blue) from April or May through the remainder of the year.

**Mountain Biking**

Rapid City offers miles of mountain biking trails with more being added as often as we can! Plan out your trip on the Skyline Wilderness Area and Hanson-Larsen Memorial Park bike trails using the “Avenza Maps” mobile app. Skyline trail maps are also available in print at our West Boulevard office and as a PDF on our website.

**Bicycling**

Visitors and residents alike love the Leonard “Swanny” Swanson Memorial Pathway. Around 10 continuous miles of paved trail offers walkers and cyclists hours of entertainment and recreation. A map of the creekside path as well as the bike route spurs that reach into neighborhoods and along major roads are available online.
