Pella Reserve Wood Window Replacement

The cottage style window on the ground floor of the primary façade is proposed to be replaced with a wood window, Pella Reserve (double hung) with a configuration to match the historic window. See next page.

(The remaining 22 windows on the home are proposed to be replaced with composite windows to match the existing opening size. The historic frames, interior and exterior, will be preserved. See additional information)
Remove storm, replace existing cottage window with a Pella Reserve (wood) Traditional double hung windows, black, to match the original configuration.
Pella Impervia
Double Hung
17 total double hung windows on primary façade (2nd level), and non-primary facades. See product specification sheet for Line Items.
1 fixed picture window.
