Case No. 21VA007

Legal Description:

The SW1/4 of the NE1/4 and the west 10 acres of the SE1/4 of the NE1/4, the north 1080 feet and east 30 acres of the SE1/4 of the NE1/4, located in Section 6, T1N, R8E, BHM, Rapid City, Pennington County, South Dakota

To Whom It May Concern,

The Central States Fair is humbly requesting a variance and a major amendment to our conditional use permit. On the East side of the fairgrounds property, running along Cambell St, is our pole sign. On that sign is two LED signs, one which says “Central States Fairgrounds” and one that says, “FORD, PROUD SPONSOR”. In addition to those two signs is an electronic reader board with the dimensions of 6’3” x 13’3”. However, the only part of that current sign that acts as a reader board is 5’6” x 9’6” (54.22 sqft) with the rest of the board being the frame. The new sign, while still being similar sized to the old, has a larger reader board section measuring 13’3” x 6’9” (89.44 sqft).

The new board will serve the same purpose it did before which is providing public knowledge of the events and happenings at the fairgrounds. While I understand the size is larger, it is still much smaller than the Monument reader board which serves a similar purpose as ours. Given our larger than normal street frontage and the speed limit on Cambell, the new sign will provide the public a better view of what is happening at the fairgrounds while still adhering to the “brightness” rules.

I appreciate the consideration and time. Please feel free to contact me if you need more information or have questions.

Respectfully,
