Re: Rapid City Indian Boarding School Lands MOU

**Motion:** Move to approve a Memorandum of Understanding between the Rapid City Public Library and the Rapid City Indian Boarding School Lands project as presented.

**Background:** Representatives from the Rapid City Indian Boarding School Lands (RCIBSL) project and members of library management worked together to draft a MOU, for the purpose of preserving and providing public access to the RCIBSL archives and oral history interviews. Both entities had input into development of the MOU, which has been reviewed by the City Attorney's office.

RCIBSL will provide the archived materials and conduct the oral history interviews. The library will make this information available on the library's website. By working together, both parties will make significant cultural information and regional indigenous history available to the public.
