- The pricing matrix is for 1, 5 and 10Gb point-to-point connections from 300 6th Street to 4550 Terminal Road.

- SDN will provide a **dedicated fiber** connection at all locations – not shared bandwidth.

- We will be installing new 10Gb capable devices at these locations.

- Pricing does not include tax and fees.
Thank you!

SDN is positioned to provide a complete network solution to the City of Rapid City should the opportunity exist to provide connectivity to other locations in the future.

SDN appreciates the opportunity to provide this quote.
